WHEREAS, Florida is one of the nation's fastest growing states and by 1990 will be its fourth largest state and must equitably fund the costs of providing the infrastructure necessitated by such growth, and

WHEREAS, it is the intent of this Legislature to make the sales tax on services fair and equitable by reinstating the sales tax exemptions for essential services, NOW,

THEREFORE,

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 212.059, Florida Statutes, is created to read:

212.059 Sales and use tax on services.--It is hereby declared to be the legislative intent to levy an excise tax on the sale of services in this state as hereinafter provided. It is further declared to be the legislative intent to levy a complementary excise tax on the use of services in this state as hereinafter provided.

(1)(a) A tax is hereby imposed on the sale at retail of any service in this state at the rate of 5 percent of the sales price of the service. The tax shall be computed on each taxable sale of a service for the purpose of remitting the amount of tax due the state, and shall include each and every retail sale of a service.

(b) The sale of a service is in this state for purposes of this part if the service is performed wholly

CODING: Words stricken are deletions; words underlined are additions.
within this state, or if the service is performed partly
within and partly outside this state but the greater
proportion of the service is performed within this state,
based on costs of performance as defined in s. 212.02.

(2) A tax is hereby imposed on the use of any service
in this state when the sale of the service is at retail
outside this state, at the rate of 5 percent of the cost price
of the service. The use of a service is in this state for
purposes of this part if the benefit of the service is enjoyed
in this state. For purposes of determining where the benefit
of the services is enjoyed, s. 212.0591(9) shall apply.

(3)(a) The sales and use tax on services imposed by
this section shall be collected by the dealer as defined in
this part and remitted by him to the state at the time and in
the manner as provided in this part.

(b) If the seller of the service is a multistate
business and the sale is outside this state, any applicable
use tax shall be remitted by the purchaser of the service.
However, this paragraph shall not apply to interstate or
international transportation services.

(4)(a) The sales and use tax on services imposed by
this section shall be due and payable according to the
brackets set forth in s. 212.12 at the time of the sale or use
of the service unless the dealer elects to remit the tax
pursuant to paragraph (b).

(b) A dealer may register with the department as a
service provider and elect to remit the tax on a service at
the time consideration is paid for such service and on the
amount of consideration paid. If such election is made, it
shall be applicable to all transactions of such dealer taxed
under this section. Such election shall be made and may be

CODING: Words stricken are deletions; words underlined are additions.
changed by the dealer pursuant to procedures established by rule of the department.

(c) However, if a transaction involves both the sale or use of services and the sale or use of tangible personal property, and the tangible personal property is not an inconsequential element of the transaction, the sales and use tax on services shall be due and payable at the time of the sale or use regardless of the time consideration is paid for such services.

(5) Notwithstanding other provisions of this section to the contrary:

(a) Interstate and international transportation services shall be considered sold or used in this state to the extent that the sales price or cost price of the service is apportioned to this state pursuant to paragraph (b).

(b) The sales price of the sale of interstate or international transportation services, or the cost price of the use of interstate or international transportation services, shall be apportioned to the state as provided in this paragraph. There shall be included in the measure of the tax imposed by this part on the sale or use of interstate or international transportation services that proportion of the sales price or cost price of the Florida service provider which is equal to the proportion of mileage within Florida to the total United States mileage of the Florida service provider for the service transaction in question. For purposes of this paragraph, "Florida service provider" means the person providing transportation services in Florida regardless of the commercial domicile of such person.

Section 2. Section 212.0591, Florida Statutes, is created to read:

CODING: Words struck are deletions; words underlined are additions.
212.0591 Rules of construction.--For purposes of the
sales and use tax on services, the following rules of
construction shall apply:

(1) Unless a provision of this part clearly provides
otherwise, references to the SIC Code are intended to describe
activities or services and not establishments. Such
references shall not be construed to tax or exempt a service
solely because it is performed by a person in a referenced
establishment. Neither shall such references be construed to
preclude taxation or an exemption for a service solely because
it is performed by a person not in a referenced establishment.

(2) If the entire sales price of the sale of a service
or if the entire cost price of the use of a service cannot be
included within the measure of the tax imposed by this part
under the Constitution or laws of the United States, there
shall be apportioned to the state and included in the measure
of the tax imposed by this part on the sale of services that
proportion of the sales price which the cost of performing the
services within the state bears to the total cost of
performing the services, or on the use of services that
proportion of the cost price that fairly reflects the benefit
of the services enjoyed within the state.

(3) The sales and use tax on services imposed by this
part is in addition to all other taxes, whether levied in the
form of excise, license, or privilege taxes, and shall be in
addition to all other fees and taxes levied.

(4) The sales and use tax on services imposed by this
part shall not be construed to impose an additional tax on
transactions to the extent that they are already taxed under
other provisions of this chapter.

CODING: Words stricken are deletions; words underlined are additions.
(5) No exemption from the sales and use tax on services imposed by s. 212.059(1) or (2) shall be deemed to exempt transactions that were subject to taxation pursuant to other provisions of this part on January 1, 1987.

(6) If a transaction involves both the sale or use of a service taxable under this part and the sale or use of intangible or real property not taxable under this part, the charges shall be separately identified and stated with respect to the taxable and nontaxable portions of the transaction. The tax imposed by this part shall apply to the transaction to the extent that the consideration paid in connection with the transaction is payment for the sale or use of services. Failure to separately state the charges shall create a presumption that the entire transaction is taxable.

(7) If a transaction involves both the sale or use of a service taxable under this part and the sale or use of a service exempt under this part, the consideration paid shall be separately identified and stated with respect to the taxable and exempt portions of the transaction as a condition of the exemption.

(8) Neither the taxation of services nor the assessment or collection of taxes under this part shall be construed as making lawful the transaction or incident which is the subject of the tax.

(9) For purposes of determining where a service is used or consumed and where the benefit of the service is enjoyed, the following provisions shall be applicable:

(a) If the purchaser is an individual, and:

1. If the service directly relates to real property, the benefit of the service shall be presumed to be enjoyed in the state where the real property is located; or

CODING: Words stricken are deletions; words underlined are additions.
2. If subparagraph 1. is not applicable, the benefit of the service shall be presumed to be enjoyed in the state where the greater proportion of the service is performed, based on costs of performance; or

3. Notwithstanding subparagraphs 1. and 2., if the purchaser can demonstrate to the satisfaction of the department that the benefit of the service was enjoyed in a state, the service shall be deemed used or consumed in that state.

(b) If the purchaser is a business, and:

1. If the service directly relates to real property, the benefit of the service shall be presumed to be enjoyed in the state where the real property is located; or

2. If the service directly relates to tangible personal property, the benefit of the service shall be presumed to be enjoyed in the state where the property has acquired a business situs if the property has acquired such situs; or

3. If the service directly involves sales to a local market, the benefit of the service shall be presumed to be enjoyed in the state where the purchaser's local market exists; or

4. If subparagraphs 1., 2., and 3. are not applicable, and the purchaser of the service is doing business in this state and in one or more other states, the service shall be presumed to be enjoyed in this state to the extent that the purchaser is doing business in this state. For purposes of determining the extent of the purchaser's business in this state, the apportionment formulas set forth in part IV of chapter 214, as modified by s. 220.15(4), shall be utilized.

If the purchaser is a member of an affiliated group, the

CODING: Words stricken are deletions; words underlined are additions.
affiliated group, as defined in s. 212.02, shall be considered
the purchaser for purposes of this subparagraph; or

5. If the provisions of subparagraphs 1., 2., 3., and
4. are not applicable, the benefit of the service shall be
presumed to be enjoyed in the state where the purchaser is
exclusively doing business; or

6. Notwithstanding subparagraphs 1., 2., 3., 4. and
5., if the purchaser can demonstrate to the satisfaction of
the department that the benefit of the service was enjoyed in
a state, the service shall be deemed used or consumed in that
state.

(c) Notwithstanding paragraphs (a) and (b), interstate
and international transportation services shall be presumed to
be enjoyed in this state to the extent that the sales price or
cost price of such services is apportioned to this state
pursuant to s. 212.059(5).

Section 3. Section 212.0592, Florida Statutes, is
created to read:

Section 10. Section 212.05, Florida Statutes, 1986 Supplement, as amended by chapters 86-152, 86-155, and 86-166, Laws of Florida, is amended to read:

CODING: Words stricken are deletions; words underlined are additions.
212.05 Sales, storage, use tax.—It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who engages in the business of selling tangible personal property at retail in this state, or who rents or furnishes any of the things or services taxable under this section chapter, or who stores for use or consumption in this state any item or article of tangible personal property as defined herein and who leases or rents such property within the state.

(1) For the exercise of such privilege, a tax is levied on each taxable transaction or incident, which tax is due and payable as follows:

(a) At the rate of 5 percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, or mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall, by rule, adopt the NADA Official Used Car Guide as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (f), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph...
shall be computed by the department on such average loan price
unless the parties to the sale have provided to the tax
collector an affidavit signed by each party, or other
substantial proof, stating the actual sales price. Any party
to such sale who reports a sales price less than the actual
sales price is guilty of a misdemeanor of the second degree,
punishable as provided in s. 775.083. The department shall
collect or attempt to collect from such party any delinquent
sales taxes. In addition, such party shall pay any tax due
and any penalty and interest assessed, plus a penalty equal to
twice the amount of the additional tax owed. Notwithstanding
any other provision of law, the Department of Revenue may
waive or compromise any penalty imposed after July 1, 1985,
pursuant to this sub-subparagraph. For purposes of this sub-
subparagraph subparagraph, an occasional or isolated sale is
one in which the seller is not a motor vehicle dealer as
defined in s. 320.27(1)(c).

2. This paragraph does not apply to the sale of a boat
or airplane by or through a registered dealer under this
chapter to a purchaser who removes such boat or airplane from
this state within 10 days after the date of purchase or, when
the boat or airplane is repaired or altered, within 10 days
after completion of such repairs or alterations. In no event
shall the boat or airplane remain in this state more than 90
days after the date of purchase. This exemption shall not be
allowed unless the seller:

a. Obtains from the purchaser within 90 days from the
date of sale written proof that the purchaser licensed,
registered, or documented the boat or airplane outside the
state;

CODING: Words stricken are deletions; words underlined are additions.
b. Requires the purchaser to sign an affidavit that he has read the provisions of this section; and

c. Makes the affidavit a part of his permanent record.

In the event the purchaser fails to remove the boat or airplane from this state within 10 days after purchase or, when the boat or airplane is repaired or altered, within 10 days after completion of such repairs or alterations, or permits the boat or airplane to return to this state within 6 months from the date of departure, the purchaser shall be liable for use tax on the cost price of the boat or airplane and, in addition thereto, payment of a penalty to the Department of Revenue equal to the tax payable. This penalty shall be in lieu of the penalty imposed by s. 212.12(2) and is mandatory and shall not be waived by the department.

(b) At the rate of 5 percent of the cost price of each item or article of tangible personal property when the same is not sold but is used, consumed, distributed, or stored for use or consumption in this state.

(c) At the rate of 5 percent of the gross proceeds derived from the lease or rental of tangible personal property, as defined herein, except the lease or rental of a commercial motor vehicle as defined in s. 316.003(67)(a) to one lessee or rentee for a period of not less than 12 months when tax was paid on the acquisition of such vehicle by the lessor, when the lease or rental of such property is an established business or part of an established business or the same is incidental or germane to such business. (d) At the rate of 5 percent of the lease or rental
price paid by a lessee or rentee, or contracted or agreed to
be paid by a lessee or rentee, to the owner of the tangible
personal property.
(e)(l. At the rate of 5 percent on charges for all
telegraph messages and long distance telephone calls beginning
and terminating in this state; on charges for
telecommunication service as defined in s. 203.012 and for
those services described in s. 203.012(2)(a); on recurring
charges to regular subscribers for wired television service;
on all charges for the installation of telecommunication,
wireless television, and telegraphic equipment; and on all
charges for electrical power or energy. For purposes of this
subparagraph, the term "telecommunication service" does not
include local service provided through a pay telephone. The
provisions of s. 212.17(3), regarding credit for tax paid on
charges subsequently found to be worthless, shall be equally
applicable to any tax paid under the provisions of this
section on charges for telecommunication or telegraph services
or electric power subsequently found to be uncollectible. The
word "charges" in this paragraph does not include any excise
or similar tax levied by the Federal Government, any political
subdivision of the state, or any municipality upon the
purchase or sale of telecommunication, wireless television, or
telegraph service or electric power, which tax is collected by
the seller from the purchaser.
2. Telegraph messages and telecommunication services
which originate or terminate in this state, other than
interstate private communication services, and are billed to a
customer, telephone number, or device located within this
state are taxable under this paragraph. Interstate private
communication services are taxable under this paragraph as
follows:

   a. One hundred percent of the charge imposed at each
channel termination point within this state;

   b. One hundred percent of the charge imposed for the
total channel mileage between each channel termination point
within this state; and

   c. Fifty percent of the charge imposed for the total
channel mileage between the first channel termination point
inside this state and the nearest channel termination point
outside this state.

3. The tax imposed pursuant to this paragraph shall
not exceed $50,000 per calendar year on charges to any person
for interstate telecommunications services defined in s.
203.012(4) and (7)(b), if the majority of such services used
by such person are for communications originating outside of
this state and terminating in this state. This exemption
shall only be granted to holders of a direct pay permit issued
pursuant to this subparagraph. No refunds shall be given for
taxes paid prior to receiving a direct pay permit. Upon
application, the department may issue a direct pay permit to
the purchaser of telecommunications services authorizing such
purchaser to pay tax on such services directly to the
department. Any vendor furnishing telecommunications services
to the holder of a valid direct pay permit shall be relieved
of the obligation to collect and remit the tax on such
service. Tax payments and returns pursuant to a direct pay
permit shall be monthly. For purposes of this subparagraph,
the term "person" shall be limited to a single legal entity

CODING: Words stricken are deletions; words underlined are additions.
and shall not be construed as meaning a group or combination
of affiliated entities or entities controlled by one person or
group of persons. For purposes of this subparagraph, for
calendar year 1986, the term "calendar year" means the last 6
months of 1986.

(f) At the rate of 5 percent on the sale, rental, use,
consumption, or storage for use in this state of machines and
equipment and parts and accessories therefor used in
manufacturing, processing, compounding, producing, mining, or
quarrying personal property for sale or to be used in
furnishing communications, transportation, or public utility
services.

(g) At the rate of 5 percent of the price, as
determined pursuant to part II, of each gallon of motor fuel
or special fuel taxable pursuant to that part, except that
motor fuel and special fuel expressly taxable under this part
shall be taxed as provided in paragraphs (a) and (b).

(h) Any person who purchases, installs, rents, or
leases a telephone system or telecommunication system for his
own use to provide himself with telephone service or
telecommunication service which is a substitute for any
telephone company switched service or a substitute for any
dedicated facility by which a telephone company provides a
communication path is exercising a taxable privilege and shall
register with the Department of Revenue and pay into the State
Treasury a yearly amount equal to 5 percent of the actual cost
of operating such system, notwithstanding the provisions of s.
212.081(3)(b). "Actual cost" includes, but is not limited to,
depreciation, interest, maintenance, repair, and other
expenses directly attributable to the operation of such
system. For purposes of this paragraph, the depreciation
expense to be included in actual cost shall be the
depreciation expense claimed for federal income tax purposes.
The total amount of any payment required by a lease or rental
contract or agreement shall be included within the actual
cost. The provisions of this paragraph do not apply to the
use by any local telephone company or any telecommunication
carrier of its own telephone system or telecommunication
system to conduct a telecommunication service for hire. If a
system described in this paragraph is located in more than one
state, the actual cost of such system for purposes of this
paragraph shall be the actual cost of the system's equipment
located in Florida.

taxes, whether levied in the form of excise, license, or
privilege taxes, and in addition to all other fees and taxes
levied.

(4) The tax imposed pursuant to this part shall be due
and payable according to the brackets set forth in s. 212.12.

read:

CODING: Words stricken are deletions; words underlined are additions.
212.054 Discretionary sales surtax; limitations, administration, and collection.--

(3) For the purpose of this section, a transaction shall be deemed to have occurred in a county imposing the surtax when:

(a) The dealer is located in the county and the sale includes tangible personal property or services, except as otherwise provided herein provided-in-paragraph-(c);

Section 12. Paragraph (b) of subsection (1), paragraphs (g) and (k) of subsection (2), and subsections (4) and (7) of section 212.06, Florida Statutes, 1986 Supplement, are amended to read:

However, the tax levied under this paragraph shall not be imposed upon any person who manufactures or produces electrical power or energy, steam energy, or other energy, when such power or energy is used directly and exclusively in the operation of machinery or equipment that is used to manufacture, process, compound, produce, fabricate, or prepare for shipment tangible personal property for sale or to operate pollution control

equipment used in such operations. The manufacturing or
production of electrical power or energy that is used for
space heating, lighting, office equipment, or air conditioning
or any other nonmanufacturing, nonprocessing, noncompounding,
nonproducing, nonfabricating, or nonshipping activity is
taxable. Electrical power or energy consumed or dissipated in
the transmission or distribution of electrical power or energy
for resale is also not taxable. Fabrication labor shall not
be taxable when a person is using his own equipment and his
own personnel, for his own account, as a producer,
subproducer, or coproducer of a qualified motion picture as
defined in s. 212.0592(18)(b) prepared for showing on screens
or through television, for either theatrical, commercial,
adsvertising, or educational purposes.

(2)

(g) "Dealer" also means and includes every person who
solicits business either by direct representatives, indirect
representatives, or manufacturers' agents or by distribution

whatsoever and by reason thereof receives orders for tangible
personal property or services from consumers for use,

in the state; and such dealer shall collect the tax imposed by
this chapter from the purchaser, and no action either in law

chapter have been fully complied with.

(k) "Dealer" also means any person who sells,

him, the dealer as herein defined, shall pay the tax imposed
by this chapter on all articles of tangible personal property
so imported and used, and on all services so purchased and
used, the same as if such articles or services had been sold
at retail for use or consumption in this state. For the
purposes of this chapter, the use, or consumption, or
distribution, or storage to be used or consumed in this state
of tangible personal property shall each be equivalent to a
sale at retail; and the tax shall thereupon immediately levy
and be collected in the manner provided herein, provided there
shall be no duplication of the tax in any event.

(7) The provisions of this chapter do not apply in
respect to the use or consumption of tangible personal

personal property or services for use or consumption in this
state, upon which a like tax equal to or greater than the

be made according to rules and regulations of the department.
If the amount of tax paid in another state is not equal to or
greater than the amount of tax imposed by this chapter, then
the dealer shall pay to the department an amount sufficient to
make the tax paid in the other state and in this state equal
to the amount imposed by this chapter.
  Section 13. Paragraph (a) of subsection (1) and
subsection (2), (4), and (9) of section 212.07, Florida
Statutes, 1986 Supplement, are amended to read:

measured by retail sales shall likewise be collected by the
dealers from the purchaser or consumer.
  (2) A dealer shall, as far as practicable, add the
amount of the tax imposed under this chapter to the sale
price, and the amount of the tax shall be separately stated as
Florida tax on any charge ticket, sales slip, invoice, or
other tangible evidence of sale. Such tax shall constitute a
part of such price, charge, or proof of sale which shall be a
debt from the purchaser or consumer to the dealer, until paid,
and shall be recoverable at law in the same manner as other
debts. Where it is impracticable, due to the nature of the
business practices within an industry, to separately state
Florida tax on any charge ticket, sales slip, invoice, or
other tangible evidence of sale, the department may establish
an effective tax rate for such industry. The department may
also amend this effective tax rate as the industry's pricing
or practices change. Except as otherwise specifically

relieve the purchaser of the payment of all or any part of the
tax, or that the tax will not be added to the selling price of
the property or services sold or released or, when added, that
it or any part thereof will be refunded either directly or
indirectly by any method whatsoever. A person who violates
this provision with respect to advertising or refund is guilty
of a misdemeanor of the second degree, punishable as provided

collection allowance by 10 percent or $50, whichever is less,
if a taxpayer files an incomplete return.

1. An "incomplete return" is, for purposes of this
chapter, a return which is lacking such uniformity,
completeness, and arrangement that the physical handling,
verification, or review of the return may not be readily
accomplished.

2. The department shall adopt rules requiring such
information as it may deem necessary to ensure that the tax
levied hereunder is properly collected, reviewed, compiled,
and enforced, including, but not limited to: the amount of
gross sales; the amount of taxable sales; the amount of
taxable purchases; the amount of tax collected or due; the
amount of lawful refunds, deductions, or credits claimed; the
amount claimed as the dealer's collection allowance; the
amount of penalty and interest; the amount due with the
return; and such other information as the Department of
Revenue may specify. The department shall require that the
amounts of gross sales, taxable sales, taxable purchases, and
tax collected or due shall be reported by major sales tax
source: services; tangible personal property; admissions;
 transient rentals; commercial leases or licenses; and
agricultural equipment.

(b) In the event any dealer or other person charged
herein fails or refuses to make his records available for
inspection so that no audit or examination has been made of

CODING: Words stricken are deletions; words underlined are additions.
the books and records of such dealer or person, fails or
refuses to register as a dealer, or fails to make a report and
pay the tax as provided by this chapter; or makes a grossly
incorrect report, or makes a report that is false or
fraudulent, then, in such event, it shall be the duty of the
department to make an assessment from an estimate based upon
the best information then available to it for the taxable
period of retail sales of such dealer, the gross proceeds from
rentals, the total admissions received, amounts received from
leases of tangible personal property by such dealer, or of the
cost price of all articles of tangible personal property
imported by the dealer for use or consumption or distribution
or storage to be used or consumed in this state or of the
sales or cost price of all services the sale or use of which
is taxable under this part, together with interest, plus
penalty, if such have accrued, as the case may be. Then the
department shall proceed to collect such taxes, interest, and
penalty on the basis of such assessment, which shall be
considered prima facie correct; and the burden to show the
contrary shall rest upon the dealer, seller, owner, or lessor,
as the case may be.

(7) In the event the dealer has imported the tangible
personal property or has acquired services outside the state
for sale or use in this state and he fails to produce an
invoice showing the cost price of the articles or services, as
defined in this chapter, which are subject to tax, or the
invoice does not reflect the true or actual cost price as
defined herein, then the department shall ascertain, in any
manner feasible, the true cost price, and assess and collect
the tax thereon with interest plus penalties, if such have
accrued on the true cost price as assessed by it. The

CODING: Words stricken are deletions; words underlined are additions.
assessment so made shall be considered prima facie correct, and the duty shall be on the dealer to show to the contrary.

(9) Taxes imposed by this chapter upon the privilege of the use, consumption, storage for consumption, or sale of tangible personal property, admissions, license fees, rentals, and communication services, and upon the sale or use of services as herein taxed shall be collected upon the basis of an addition of the tax imposed by this chapter to the total price of such admissions, license fees, rentals, communication or other services, or sale price of such article or articles that are purchased, sold, or leased at any one time by or to a customer or buyer; and the dealer, or person charged herein, is required to pay a privilege tax in the amount of the tax imposed by this chapter on the total of his gross sales of tangible personal property, admissions, license fees, rentals, and communication services or to collect a tax upon the sale or use of services, and such person or dealer shall add the tax imposed by this chapter to the price, license fee, rental, or admissions, and communication or other services and collect the total sum from the purchaser, admittee, licensee, lessee, or consumer. Notwithstanding the rate of taxes imposed upon the privilege of sales, admissions, license fees, rentals, and communication services, or upon the sale or use of services, the following brackets shall be applicable to all transactions taxable at the rate of 5 percent:

(a) On single sales of less than 10 cents, no tax shall be added.

(b) On single sales in amounts from 10 cents to 20 cents, both inclusive, 1 cent shall be added for taxes.

(c) On sales in amounts from 21 cents to 40 cents, both inclusive, 2 cents shall be added for taxes.
(d) On sales in amounts from 41 cents to 60 cents, both inclusive, 3 cents shall be added for taxes.

(e) On sales in amounts from 61 cents to 80 cents, both inclusive, 4 cents shall be added for taxes.

(f) On sales in amounts from 81 cents to $1, both inclusive, 5 cents shall be added for taxes.

(g) On sales in amounts of more than $1, 5 percent shall be charged upon each dollar of price, plus the appropriate bracket charge upon any fractional part of a dollar.

Section 18. Subsections (2), (3), and (4) of section 212.13, Florida Statutes, are amended to read:

212.13 Records required to be kept; power to inspect; audit procedure.--

(2) Each dealer, as defined in this chapter, shall secure, maintain, and keep for a period of 3 years a complete record of tangible personal property or services received, used, sold at retail, distributed or stored, leased or rented by said dealer, together with invoices, bills of lading, gross receipts from such sales, and other pertinent records and papers as may be required by the department for the reasonable administration of this chapter; and all such records which are located or maintained in this state shall be open for inspection by the department at all reasonable hours at such dealer's store, sales office, general office, warehouse, or place of business located in this state. Any dealer who maintains such books and records at a point outside this state must make such books and records available for inspection by the department where the general records are kept. Any dealer subject to the provisions of this chapter who violates these
provisions is guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(3) For the purpose of enforcement of this chapter, every manufacturer and seller of tangible personal property or services licensed within this state is required to permit the department to examine his books and records at all reasonable hours; and, upon his refusal, the department may require him to permit such examination by resort to the circuit courts of this state, subject however to the right of removal of the cause to the judicial circuit wherein such person's business is located or wherein such person's books and records are kept, provided further that such person's books and records are kept within the state.

(4) For the further purpose of enforcement of this chapter, every wholesaler of tangible personal property or services licensed within this state is required to permit the department to examine his books and records at all reasonable hours. He must also maintain such books and records for a period of not less than 3 years in order to disclose the sales of all goods or services sold, and to whom sold, and also the amount of items sold, in such form and in such manner as the department may reasonably require, and so as to permit the department to determine the volume of goods or services sold by wholesalers to dealers, as defined under this chapter, and the dates and amounts of sales made. The department may require any manufacturer or wholesaler who refuses to keep such records or to permit such inspection through the circuit courts of Florida to submit to such inspection, subject however to the right of removal of the cause as hereinbefore provided in this section.

Section 19. Subsection (1) of section 212.14, Florida Statutes, 1986 Supplement, is amended to read:

212.14 Departmental powers; hearings, subpoena; distress warrants; time for assessments.--

(1) Any person required to pay a tax imposed under this chapter, or to make a return, either or both, and who renders a return or makes a payment of a tax with intent to deceive or defraud the state, and to prevent the state from collecting the amount of taxes imposed by this chapter, or otherwise fails to comply with the provisions of this chapter for the taxable period for which any return is made, or any tax is paid, or any report is made to the department, may be required by the department to show cause at a time and place to be set by the department, after 10 days' notice in writing requiring such books, records, or papers as the department may require relating to the business of such person for such tax period, and the department may require such person, or persons, or their employee or employees to give testimony under oath and answer interrogatories by the department, or an assistant, respecting the sale, use, consumption, distribution, or storage rental or license for use of real or personal property or services within the state, or admissions collected therein, or the failure to make a true report thereof, as provided by this chapter, or failure to pay the true amount of the tax required to be paid under this chapter. At said hearing, in the event such person fails to produce such books, records, or papers, or to appear and answer questions within the scope of investigation relating to matters concerning taxes to be imposed under this chapter, or prevents or impedes his or her agents or employees from giving testimony, then the department is authorized under this

chapter to estimate any unpaid deficiencies in taxes to be
assessed against such person upon such information as may be
available to it and to issue a distress warrant for the
collection of such taxes, interest, or penalties estimated by
him to be due and payable, and such assessment shall be deemed
prima facie correct. In such cases said warrant shall be
issued to any sheriff in the state where such person owns or
possesses any property and such property as may be required to
satisfy any such taxes, interest, or penalties shall be by
such sheriff seized and sold under said distress warrant in
the same manner as property is permitted to be seized and sold
under distress warrants issued to secure the payments of
delinquent taxes as hereinafter provided, and the department
shall also have the right to writ of garnishment to subject
any indebtedness due to the delinquent dealer by a third
person in any goods, money, chattels, or effects of the
delinquent dealer in the hands, possession, or control of the
third person in the manner provided by law. Respecting the
place for the holding of a hearing by the department or its
agents as provided in this section, the person whose tax
return or report being investigated may by written request to
the department require the hearing be set at a place within
the judicial circuit of Florida wherein the person's business
is located or within the judicial circuit of Florida wherein
such person's books and records are kept.

Section 20. Subsections (3) and (7) of section 212.17,
Florida Statutes, 1986 Supplement, are amended to read:

CODING: Words struck out are deletions; words underlined are additions.
(3) A dealer who has paid the tax imposed by this chapter on tangible personal property or services may take a credit or obtain a refund for any tax paid by him on the unpaid balance due on worthless accounts within 12 months following the month in which the bad debt has been charged off for federal income tax purposes. If any accounts so charged off for which a credit or refund has been obtained are thereafter in whole or in part paid to the dealer, the amount so paid shall be included in the first return filed after such collection and the tax paid accordingly.

(7) The department, where admissions, license fees, or rental payments or payments for services are made and thereafter returned to the payers after the taxes thereon have been paid, shall return or credit the taxpayer for taxes so paid on the moneys returned in the same manner as is provided for returns or credits of taxes where purchases or tangible personal property are returnable to a dealer.

Section 21. Subsection (3) of section 212.18, Florida Statutes, 1986 Supplement, is amended to read:

212.18 Administration of law; rules and regulations.--

and such other data as the department may reasonably require.
The application shall be made to the department before the
person, firm, copartnership, or corporation may engage in such
business; and it shall be accompanied by a registration fee of
$5. The department, upon receipt of such application, will
grant to the applicant a separate certificate of registration
for each place of business, which certificate may be canceled

by the certificateholder to comply with any of the provisions
of this chapter. The certificate shall not be assignable and
shall be valid only for the person, firm, copartnership, or
corporation to which issued; and such certificate shall be
placed in a conspicuous place in the business or businesses
for which it is issued and shall be so displayed at all times.
No person shall engage in business as a dealer or in leasing,

without first having obtained such a certificate or after such
certificate has been canceled; and no person shall receive any
license from any authority within the state to engage in any
such business without first having obtained such a certificate

engaging in leasing, renting, or letting of or granting
licenses in living quarters or sleeping or housekeeping
accommodations in hotels, apartment houses, roominghouses,

defined, or the engaging in the business of selling or

state and of the United States. It is further declared to be
the specific legislative intent to tax each and every taxable

Section 33. The Legislature hereby finds that the failure to promptly implement the provisions of this act would present an immediate threat to the welfare of the state because revenues needed for operation of the state would not be collected. Therefore, the executive director of the Department of Revenue is hereby authorized to adopt emergency rules pursuant to s. 120.54(9), Florida Statutes, for purposes of implementing this act. If the executive director determines that the interest owed pursuant to s. 214.23, Florida Statutes, will cause an undue hardship on the taxpayer, he may also waive the interest payment. The waiver for penalties and interest shall apply with respect to returns for taxes due and payable for the period between July 1, 1987, and September 30, 1987.

Section 37. When a service that is taxable beginning July 1, 1987, is provided prior to that date, it shall not be taxed, notwithstanding that compensation for the service is paid or payable on or after that date. When a service that is taxable beginning July 1, 1987, is provided on or after that date, the service shall be taxed unless it was prepaid in full prior to April 1, 1987. Section 38. Except for the purposes of s. 212.0593, Florida Statutes, nothing contained in this act shall require an attorney or a certified public accountant licensed pursuant to chapter 473, Florida Statutes, to reveal the identity of any client for any reason.

1. A sole proprietor of an unincorporated business, including a professional practice, whose principal office is in this state, who is domiciled in this state, and whose business or professional practice has, at the time the action is initiated by a state agency, not more than 25 full-time employees or a net worth of not more than $2 million, including both personal and business investments; or

2. A partnership or corporation, including a professional practice, which has its principal office in this state and has at the time the action is initiated by a state agency not more than 25 full-time employees or a net worth of not more than $2 million.

3. Either of the above, without regard to the number of its employees or its net worth, in any action under § 72.011 or administrative proceeding under that section and § 120.575(1)(b) to contest the legality of any assessment of tax imposed for the sale or use of services as provided in chapter 212, or interest thereon, or penalty therefor.

Section 44. Paragraph (b) of subsection (1) of section 120.57, Florida Statutes, 1986 Supplement, is amended to read:

120.57 Decisions which affect substantial interests.--
The provisions of this section apply in all proceedings in which the substantial interests of a party are determined by an agency, unless such proceedings are exempt pursuant to subsection (5). Unless waived by all parties, subsection (1) applies whenever the proceeding involves a disputed issue of material fact. Unless otherwise agreed, subsection (2) applies in all other cases.

(1) FORMAL PROCEEDINGS.--
(b) In any case to which this subsection is applicable, the following procedures apply:

1. A request for a hearing shall be granted or denied within 15 days of receipt.

2. All parties shall be afforded an opportunity for a hearing after reasonable notice of not less than 14 days; however, the 14-day notice requirement may be waived with the consent of all parties. In a preliminary hearing for the revocation of parole, no less than 7 days' notice shall be given. In a hearing involving a student disciplinary suspension or expulsion conducted by an educational unit, the 14-day notice requirement may be waived by the agency head or the hearing officer without the consent of the parties. The notice shall include:

   a. A statement of the time, place, and nature of the hearing.

   b. A statement of the legal authority and jurisdiction under which the hearing is to be held.

   c. A reference to the particular sections of the statutes and rules involved.

   d. Except for any hearing before an unemployment compensation appeals referee, a short and plain statement of the matters asserted by the agency and by all parties of record at the time notice is given. If the agency or any party is unable to state the matters in sufficient detail at the time initial notice is given, the notice may be limited to a statement of the issues involved, and thereafter, upon timely written application, a more definite and detailed statement shall be furnished not less than 3 days prior to the date set for the hearing.

CODING: Words struck are deletions; words underlined are additions.
3. Except for any proceeding conducted as prescribed in s. 120.54(4), or s. 120.56, or s. 120.575(1)(b), a petition or request for a hearing under this section shall be filed with the agency. If the agency elects to request a hearing officer from the division, it shall so notify the division within 10 days of receipt of the petition or request. When the Florida Land and Water Adjudicatory Commission receives a notice of appeal pursuant to s. 380.07, the commission shall notify the division within 60 days of receipt of the notice of appeal if the commission elects to request the assignment of a hearing officer. On the request of any agency, the division shall assign a hearing officer with due regard to the expertise required for the particular matter. The referring agency shall take no further action with respect to the formal proceeding, except as a party litigant, as long as the division has jurisdiction over the formal proceeding. Any party may request the disqualification of the hearing officer by filing an affidavit with the division prior to the taking of evidence at a hearing, stating the grounds with particularity.

4. All parties shall have an opportunity to respond, to present evidence and argument on all issues involved, to conduct cross-examination and submit rebuttal evidence, to submit proposed findings of facts and orders, to file exceptions to any order or hearing officer’s recommended order, and to be represented by counsel. When appropriate, the general public may be given an opportunity to present oral or written communications. If the agency proposes to consider such material, then all parties shall be given an opportunity to cross-examine or challenge or rebut it.
5. All pleadings, motions, or other papers filed in
the proceeding must be signed by a party, the party's
attorney, or the party's qualified representative. The
signature of a party, a party's attorney, or a party's
qualified representative constitutes a certificate that he has
read the pleading, motion, or other paper and that, to the
best of his knowledge, information, and belief formed after
reasonable inquiry, it is not interposed for any improper
purposes, such as to harass or to cause unnecessary delay or
for frivolous purpose or needless increase in the cost of
litigation. If a pleading, motion, or other paper is signed
in violation of these requirements, the hearing officer, upon
motion or his own initiative, shall impose upon the person who
signed it, a represented party, or both, an appropriate
sanction, which may include an order to pay the other party or
parties the amount of reasonable expenses incurred because of
the filing of the pleading, motion, or other paper, including
a reasonable attorney's fee.

6. The record in a case governed by this subsection
shall consist only of:
   a. All notices, pleadings, motions, and intermediate
      rulings;
   b. Evidence received or considered;
   c. A statement of matters officially recognized;
   d. Questions and proffers of proof and objections and
      rulings thereon;
   e. Proposed findings and exceptions;
   f. Any decision, opinion, proposed or recommended
      order, or report by the officer presiding at the hearing;
   g. All staff memoranda or data submitted to the
      hearing officer during the hearing or prior to its

disposition, after notice of the submission to all parties,
except communications by advisory staff as permitted under s.
120.66(1), if such communications are public records;
    h. All matters placed on the record after an ex parte
communication pursuant to s. 120.66(2); and
    i. The official transcript.
7. The agency shall accurately and completely preserve
all testimony in the proceeding, and, on the request of any
party, it shall make a full or partial transcript available at
no more than actual cost. In any proceeding before a hearing
officer initiated by a consumptive use permit applicant
pursuant to subparagraph 13., the applicant shall bear the
cost of accurately and completely preserving all testimony and
providing full or partial transcripts to the water management
district. At the request of any other party, full or partial
transcripts shall be provided at no more than cost.
8. Findings of fact shall be based exclusively on the
evidence of record and on matters officially recognized.
9. Except as provided in subparagraph 12., the hearing
officer shall complete and submit to the agency and all
parties a recommended order consisting of his findings of
fact, conclusions of law, interpretation of administrative
rules, and recommended penalty, if applicable, and any other
information required by law or agency rule to be contained in
the final order. The agency shall allow each party at least
10 days in which to submit written exceptions to the
recommended order.
10. The agency may adopt the recommended order as the
final order of the agency. The agency in its final order may
reject or modify the conclusions of law and interpretation of
administrative rules in the recommended order, but may not

CODING: Words struck are deletions; words underlined are additions.
reject or modify the findings of fact unless the agency first
determines from a review of the complete record, and states
with particularity in the order, that the findings of fact
were not based upon competent substantial evidence or that the
proceedings on which the findings were based did not comply
with essential requirements of law. The agency may accept the
recommended penalty in a recommended order, but may not reduce
or increase it without a review of the complete record and
without stating with particularity its reasons therefor in the
order, by citing to the record in justifying the action. When
there is an appeal, the court in its discretion may award
reasonable attorney’s fees and costs to the prevailing party
if the court finds that the appeal was frivolous, meritless,
or an abuse of the appellate process or that the agency action
which precipitated the appeal was a gross abuse of the
agency’s discretion.

11. If the hearing officer assigned to a hearing
becomes unavailable, the division shall assign another hearing
officer who shall use any existing record and receive any
additional evidence or argument, if any, which the new hearing
officer finds necessary.

12. A hearing officer who is a member of an agency
head may participate in the formulation of the final order of
the agency, provided he has completed all his duties as
hearing officer.

13. In any application for a license or merger
pursuant to title XXXVIII which is referred by the agency to
the division for hearing pursuant to this section, the hearing
officer shall complete and submit to the agency and to all
parties a written report consisting of findings of fact and
rulings on evidentiary matters. The agency shall allow each

party at least 10 days in which to submit written exceptions

to the report.

14. In any application for a consumptive use permit
pursuant to part II of chapter 373, the water management
district on its own motion may, or, at the request of the
applicant for the permit, shall, refer the matter to the
division for the appointment of a hearing officer to conduct a
hearing under this section.

Section 45. Subsection (1) of section 120.575, Florida
Statutes, is amended to read:

120.575 Taxpayer contest proceedings.--

(1)(a) In any administrative proceeding brought
pursuant to chapter 120 as authorized in s. 72.011(1), the
taxpayer or other substantially affected party shall be
designated the "petitioner" and the Department of Revenue
shall be designated the "respondent."

(b) In any such administrative proceeding brought
pursuant to s. 120.57(1) as authorized in s. 72.011(1) to
contest the legality of any assessment of tax imposed for the
sale or use of services as provided in chapter 212, or
interest thereon, or penalty therefor, the following
procedures shall apply, any provisions of this chapter to the
contrary notwithstanding:

1. The petition shall be filed with the division,
which shall forward a copy to the department immediately upon
receipt of the petition.

2. The panel provided in s. 120.65(5) shall conduct
all proceedings under this paragraph.

3. Within 10 days after receiving the petition, the
panel shall accept or deny the petition and, if accepted,
shall conduct a hearing thereon, unless the petition is withdrawn.

4. Within 30 days after the hearing or receipt of the hearing transcript, whichever is later, the panel shall issue its order, which shall consist of findings of fact, conclusions of law, interpretation of administrative rules, and any other information required by law or rule to be contained in the final order. Such order shall affirm or deny the assessment, interest, or penalty, and shall determine the amount of any assessment, interest, or penalty.

5. The order of the panel shall be final agency action.

Section 46. Subsections (5), (6), (7), (8), and (9) of section 120.65, Florida Statutes, 1986 Supplement, are redesignated as subsections (6), (7), (8), (9), and (10), respectively, and a new subsection (5) is added to said section to read:

120.65 Hearing officers.--

(5) The director shall appoint, from among the full-time hearing officers of the division, a panel consisting of three members to be the hearing officer in all proceedings brought as provided in s. 120.575(1)(b). Such appointments shall be made with due regard to the expertise required for determination of such proceedings. Service as a member of such panel shall be at the pleasure of the director, and such service may be in addition to other duties of employment by the division.

Section 47. The Department of Revenue is directed to undertake a study of service transactions for the purpose of identifying those transactions not taxable pursuant to the definition of service in s. 212.02, Florida Statutes. On or
before March 1, 1988, the department shall report to the
Governor and the Legislature all service transactions so
identified.

Section 48. No later than January 1, 1988, the
Department of Revenue shall develop and implement a tax
amnesty program for taxpayers subject to the tax laws
enumerated in s. 72.011(1), Florida Statutes, except those
taxes governed by s. 199.032 and s. 212.0505, Florida
Statutes. The tax amnesty program shall be a one-time
opportunity for eligible taxpayers to satisfy their tax
liabilities under the revenue laws of this state and thereby
avoid criminal prosecution and any penalties imposed under
such laws. Eligible taxpayers shall have no more than a 6-
month period during which to file returns or amended returns
and to make full payment of the amount of tax and interest
due. An eligible taxpayer may participate in the amnesty
program whether or not the taxpayer is under audit or
investigation; notwithstanding the fact that the amount due is
included in a proposed assessment or an assessment, bill,
notice, or demand for payment issued by the department; and
without regard to whether the amount due is subject to a
pending administrative or judicial proceeding. However,
participation in the program shall be conditioned upon the
taxpayer's agreement that the right to protest or initiate an
administrative or judicial proceeding or to claim any refund
of moneys paid under this amnesty program is barred with
respect to the amounts paid except as provided in this
section. No refund may be made of any penalty paid prior to
the date the amnesty program is implemented, and any refund or
credit of amounts paid as a result of participation in the
amnesty program shall be strictly limited to amounts

determined by the department to have been paid in error. A
taxpayer who is under a criminal investigation, indictment,
information, or prosecution is not eligible to participate in
the amnesty program. The department may prescribe such terms,
conditions, and methods of payment as it deems necessary for
fair and effective administration of the amnesty program, and
may establish procedures and guidelines and adopt forms and
rules to implement the program. With or without an audit, the
department may issue a notice or demand for payment with
respect to any tax or interest which it determines to be due
with any return filed under the tax amnesty program; such
notice and demand for payment shall be prima facie correct in
any administrative, judicial, or quasi-judicial proceeding.

Section 49. Subsections (1) and (3) of section 95.091,
Florida Statutes, are amended to read:

95.091 Limitation on actions to collect taxes.--

certificates have been sold or of taxes enumerated in s.
72.011 taxing-under-chapters-190-and-220, any tax lien granted
by law to the state or any of its political subdivisions, any
municipality, any public corporation or body politic, or any

its political subdivisions for any tax enumerated in s. 72.011

(3)(a) With the exception of taxes levied under
chapter 198 and tax adjustments made pursuant to s. 220.23,
the Department of Revenue may determine and assess the amount
of any tax, penalty, or interest due under any tax enumerated
in s. 72.011:

1. Within 5 years after the date the tax is due, any
return with respect to the tax is due, or such return is
filed, whichever occurs later;

2. Within 6 years after the date a taxpayer either
makes a substantial underpayment of tax or files a
substantially incorrect return;

3. At any time while the right to a refund or credit
of the tax is available to the taxpayer;

4. At any time after the taxpayer has failed to make
any payment of the tax, has failed to file a required return,
or has filed a grossly false or fraudulent return; or

5. In any case in which there has been an erroneous
refund of tax, within 5 years after making such refund, or at
any time after making such refund if it appears that any part
of the refund was induced by fraud or the misrepresentation of
a material fact.

(b) The limitations in this subsection shall be tolled
for a period of 2 years if the Department of Revenue has
issued a notice of intent to conduct an audit or investigation
of the taxpayer's account within the applicable period of time
as specified in this subsection. Except-as-otherwise-provided

and records by the taxing authority within that period, in
which event the period for which tax due may be determined and
assessed shall be the 3 years immediately preceding the first
day of the month in which a request for inspection and
examination of the books and records has been made by the
taxing authority.

Section 50. Effective July 1, 1980, subsection (1) of
section 198.18, Florida Statutes, is amended to read:

198.18 Failure to pay tax; penalties; delinquent or
deficient taxes, interest.--

(1) If any part of a deficiency in tax due under the
provisions of this chapter is due to negligence or intentional
disregard of the provisions of this chapter or the rules and
regulations issued pursuant hereto, with knowledge thereof but
without intent to defraud, there shall be added as a penalty 5
percent per month of the total amount of the deficiency in tax
to a maximum of 100 percent of the tax due; and, if any part
of such deficiency is willfully made with intent to defraud,
there shall be added as a penalty 50 percent of the total

payable upon notice and demand by the department. The
personal representative shall be liable to the state
personally and on his official bond, if any, for any loss to
the state accruing under the provisions of this section
through his negligence or willful neglect. No interest shall
be collected upon the amount of any penalty. The department
may settle or compromise such penalties pursuant to s. 213.21.

2. At any time while a right to refund for such tax is available.

CODING: Words stricken are deletions; words underlined are additions.
(d) An audit shall be commenced by service of a written notice of intent to audit upon the taxpayer, either in person or by certified mail.

(3) With or without an audit, the department may assess any tax deficiency resulting from nonpayment or underpayment of the tax, as well as any applicable interest and penalties. The department shall assess on the basis of the best information available to it, including estimates based on the best information available to it if the taxpayer fails to permit inspection of the taxpayer's records, fails to file an annual return, files a grossly incorrect return, or files a false and fraudulent return.

Section 52. Subsection (1) of section 199.218, Florida Statutes, is amended to read:

(1) Each taxpayer shall retain all books and other records necessary to identify the taxpayer's intangible personal property and to determine any tax due under this chapter, as well as all books and other records otherwise required by rule of the department with respect to any such tax, until the department's power to make an assessment with respect to such tax has terminated under s. 95.091(3).

(b) The department shall have the power to make an
assessment under this part based upon the best information
available to it. The department may make an assessment based
upon an estimate of amounts due under this part if the
taxpayer fails to file a return, files a grossly incorrect or
fraudulent return, or refuses to permit inspection of records.
An assessment of the amounts due under this part shall be
considered prima facie correct, and the taxpayer shall have

penalties, or interest due. Full payment of the total amount
assessed shall be made in the manner prescribed by the
department in its notice.

Section 54. Subsections (3) and (4) of section 211.33, Florida Statutes, 1986 Supplement, are amended, and effective July 1, 1988, subsection (2) of said section is amended, to read:

211.33 Administration of the tax; returns; delinquency penalties and interest; departmental inspections of records.--

(2)(a) Every producer shall file an annual return with the department on or before April 1 of each year for the preceding taxable year. The annual return shall be signed by the producer or his duly authorized agent, shall be verified by oath, and shall include the following:

1. Industrial machinery and equipment purchased for use in new businesses which manufacture, process, compound, or produce for sale items of tangible personal property at fixed locations and services directly related to the installation of such machinery and equipment, excluding construction services, are exempt from the tax imposed by this chapter upon an affirmative showing by the taxpayer to the satisfaction of the department that such items are used in a new business in this state. Such purchases must be made prior to the date the business first begins its productive operations, and delivery of the purchased item must be made within 12 months of that date.

2. Industrial machinery and equipment purchased for use in expanding manufacturing facilities or plant units which
manufacture, process, compound, or produce for sale items of tangible personal property at fixed locations in this state and services directly related to the installation of such machinery and equipment, excluding construction services, are exempt from any amount of tax imposed by this chapter in excess of $100,000 per calendar year upon an affirmative showing by the taxpayer to the satisfaction of the department that such items are used to increase the productive output of such expanded business by not less than 10 percent.

3.a. To receive an exemption provided by subparagraph 1. or subparagraph 2., a qualifying business entity shall apply to the department for a temporary tax exemption permit. The application shall state that a new business exemption or expanded business exemption is being sought. Upon a tentative affirmative determination by the department pursuant to subparagraph 1. or subparagraph 2., the department shall issue such permit.

subparagraph 2. through a refund of previously paid taxes. No
refund may be made for such taxes unless the criteria mandated
by subparagraph 1. or subparagraph 2. have been met and

4. The department shall promulgate rules governing

Such term includes parts and accessories only to the extent that the exemption thereof is consistent with the provisions of this paragraph.

b. "Productive output" means the number of units actually produced by a single plant or operation in a single continuous 12-month period, irrespective of sales. Increases in productive output shall be measured by the output for 12 continuous months immediately following the completion of installation of such machinery or equipment over the output for the 12 continuous months immediately preceding such installation. However, if a different 12-month continuous period of time would more accurately reflect the increase in productive output of machinery and equipment purchased to facilitate an expansion, the increase in productive output may be measured during that 12-month continuous period of time if such time period is mutually agreed upon by the Department of Revenue and the expanding business prior to the commencement of production; but in no case may such time period begin later than 2 years following the completion of installation of the new machinery and equipment. of a felony misdemeanor of the third second degree, punishable
as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 83. Effective July 1, 1988, paragraph (a) of
subsection (1) of section 212.05, Florida Statutes, 1986
Supplement, as amended by this act, is amended to read:

212.05 Sales, storage, use tax.--It is hereby declared
to be the legislative intent that every person is exercising a
taxable privilege who engages in the business of selling
tangible personal property at retail in this state, or who
rents or furnishes any of the things or services taxable under
this section, or who stores for use or consumption in this
state any item or article of tangible personal property as
defined herein and who leases or rents such property within
the state.

(1) For the exercise of such privilege, a tax is
levied on each taxable transaction or incident, which tax is
due and payable as follows:

(a)1.a. At the rate of 5 percent of the sales price of
each item or article of tangible personal property when sold
at retail in this state, computed on each taxable sale for the
purpose of remitting the amount of tax due the state, and
including each and every retail sale.

b. Each occasional or isolated sale of an aircraft,
boat, mobile home, or motor vehicle of a class or type which
is required to be registered, licensed, titled, or documented
in this state or by the United States Government shall be
subject to tax at the rate provided in this paragraph. The
department shall, by rule, adopt the NADA Official Used Car
Guide as the reference price list for any used motor vehicle
which is required to be licensed pursuant to s. 320.08(1),
(2), (3)(a), (b), (c), or (f), or (g). If any party to an

CODING: Words stricken are deletions; words underlined are additions.
occasional or isolated sale of such a vehicle reports to the
tax collector a sales price which is less than 80 percent of
the average loan price for the specified model and year of
such vehicle as listed in the most recent reference price
list, the tax levied under this paragraph shall be computed by
the department on such average loan price unless the parties
to the sale have provided to the tax collector an affidavit
signed by each party, or other substantial proof, stating the
actual sales price. Any party to such sale who reports a
sales price less than the actual sales price is guilty of a
felony misdemeanor of the third second degree, punishable as
provided in s. 775.082, s. 775.083, or s. 775.084. The
department shall collect or attempt to collect from such party
any delinquent sales taxes. In addition, such party shall pay
any tax due and any penalty and interest assessed, plus a
penalty equal to twice the amount of the additional tax owed.
Notwithstanding any other provision of law, the Department of
Revenue may waive or compromise any penalty imposed after July
1, 1985, pursuant to this sub-subparagraph. For purposes of
this sub-subparagraph, an occasional or isolated sale is one
in which the seller is not a motor vehicle dealer as defined
in s. 320.27(1)(c).

2. This paragraph does not apply to the sale of a boat
or airplane by or through a registered dealer under this
chapter to a purchaser who removes such boat or airplane from
this state within 10 days after the date of purchase or, when
the boat or airplane is repaired or altered, within 10 days
after completion of such repairs or alterations. In no event
shall the boat or airplane remain in this state more than 90
days after the date of purchase. This exemption shall not be
allowed unless the seller:

CODING: Words struck are deletions; words underlined are additions.
a. Obtains from the purchaser within 90 days from the
date of sale written proof that the purchaser licensed,
registered, or documented the boat or airplane outside the
state;

b. Requires the purchaser to sign an affidavit that he
has read the provisions of this section; and

c. Makes the affidavit a part of his permanent record.

In the event the purchaser fails to remove the boat or
airplane from this state within 10 days after purchase or,
when the boat or airplane is repaired or altered, within 10
days after completion of such repairs or alterations, or
permits the boat or airplane to return to this state within 6
months from the date of departure, the purchaser shall be
liable for use tax on the cost price of the boat or airplane
and, in addition thereto, payment of a penalty to the
Department of Revenue equal to the tax payable. This penalty
shall be in lieu of the penalty imposed by s. 212.12(2) and is
mandatory and shall not be waived by the department.

Section 84. Effective July 1, 1988, paragraph (b) of
subsection (2) of section 212.054, Florida Statutes, 1986
Supplement, is amended to read:

212.054 Discretionary sales surtax; limitations,
administration, and collection. --

(2)

(b) However:

1. The tax on any sales amount above $1,000 on any
item of tangible personal property and on long distance
telephone service shall not be subject to the surtax.

2. In the case of utility, telecommunication, or wired
television services billed on or after the effective date of
any such surtax, the entire amount of the tax for utility, 
telecommunication, or wired television services shall be 
subject to the surtax. In the case of utility, 
telecommunication, or wired television services billed after 
the last day the surtax is in effect, the entire amount of the 
tax on said items shall not be subject to the surtax.

3. In the case of written contracts which are signed 
prior to the effective date of any such surtax for the 
construction of improvements to real property or for 
remodeling of existing structures, the surtax shall be paid by 
the contractor responsible for the performance of the 
contract. However, the contractor may apply for one refund of 
any such surtax paid on materials necessary for the completion 
of the contract. Any application for refund shall be made no 
later than 15 months following initial imposition of the 
surtax in that county. The application for refund shall be in 
the manner prescribed by the department by rule. A complete 
application shall include proof of the written contract and of 
payment of the surtax. The application shall contain a sworn 
statement, signed by the applicant or its representative, 
attesting to the validity of the application. The department 
shall, within 30 days after approval of a complete 
application, certify to the county information necessary for 
issuance of a refund to the applicant. Counties are hereby 
authorized to issue refunds for this purpose and shall set 
aside from the proceeds of the surtax a sum sufficient to pay 
any refund lawfully due. Any person who fraudulently obtains 
or attempts to obtain a refund pursuant to this subparagraph, 
in addition to being liable for repayment of any refund 
 fraudulently obtained plus a mandatory penalty of 100 percent 
of the refund, is guilty of a felony misdemeanor of the third

Section 85. Effective July 1, 1988, subsection (3) of section 212.07, Florida Statutes, 1986 Supplement, and subsection (4) of said section, as amended by this act, are amended to read:

212.07 Sales, storage, use tax; tax added to purchase price; dealer not to absorb; liability of purchasers who cannot prove payment of the tax; penalties; general exemptions.--

(3) Any dealer who fails, neglects, or refuses to collect the tax herein provided, either by himself or through his agents or employees, is, in addition to the penalty of being liable for and paying the tax himself, guilty of a felony misdemeanor of the third second degree, punishable as provided in s. 775.082, or s. 775.083, or s. 775.084.

(4) A dealer engaged in any business or in selling any services taxable under this chapter may not advertise or hold out to the public, in any manner, directly or indirectly, that he will absorb all or any part of the tax, or that he will relieve the purchaser of the payment of all or any part of the tax, or that the tax will not be added to the selling price of the property or services sold or released or, when added, that it or any part thereof will be refunded either directly or indirectly by any method whatsoever. A person who violates this provision with respect to advertising or refund is guilty of a felony misdemeanor of the third second degree, punishable as provided in s. 775.082, or s. 775.083, or s. 775.084. A second or subsequent offense constitutes a felony misdemeanor of the second first degree, punishable as provided in s. 775.082, or s. 775.083, or s. 775.084.
Section 86. Effective July 1, 1988, section 212.085, Florida Statutes, is amended to read:

212.085 Fraudulent claim of exemption; penalties.--
When any person shall knowingly fraudulently, for the purpose of evading tax, issue to a vendor or to any agent of the state a certificate or statement in writing in which he claims exemption from sales tax, such person, in addition to being liable for payment of the tax plus a mandatory penalty of 100 percent of the tax, shall be liable for fine and punishment as provided by law for a conviction of a felony misdemeanor of the third degree, as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 87. Effective July 1, 1988, subsections (3), (4), and (5) of section 212.10, Florida Statutes, are amended to read:

until the department consents to a transfer or disposition or until 60 days elapse after the receipt of the notice, whichever period expires the earlier, except that the credits and debts which exceed the delinquent amount stipulated in the notice shall not be subject to the provisions of this section wherever held in any case in which such dealer does not have a prior history of sales tax delinquencies. All persons notified shall likewise within 5 days advise the department of any subsequent credits or other personal property belonging to such dealer or any debts incurred and owing to such dealer which may come within their possession or under their control during the time prescribed by the notice or until the department consents to a transfer or disposition, whichever expires the earlier. If such notice seeks to prevent the transfer or other disposition of a deposit in a bank or other credits or personal property in the possession or under the control of a bank the notice to be effective shall be delivered or mailed to the office of such bank at which such deposit is carried or at which such credits or personal property is held. If during the effective period of the notice to withhold, any person so notified makes any transfer or disposition of the property or debts required to be withheld hereunder he shall be liable to the state for any indebtedness due under this chapter from the person with respect to whose obligation the notice was given to the extent of the value of the property or the amount of the debts thus transferred or paid if solely by reason of such transfer or disposition the state is unable to recover the indebtedness of the person with respect to whose obligation the notice was given. All such credits or other personal property or debts
are subject to garnishment by the department for satisfaction of the delinquent tax due.

(4) After notice by the department of a transferee liability under this section, the dealer shall have 60 days within which to file an action as provided in chapter 72.

(3) Any violation of the provisions of this section is a felony misdemeanor of the third degree, punishable as provided in s. 775.082, or s. 775.083, or s. 775.084.

Section 88. Effective July 1, 1988, paragraph (a) of subsection (2) and subsection (13) of section 212.12, Florida Statutes, 1986 Supplement, are amended to read:

(2)(a) When any person, firm, or corporation required hereunder to make any return or to pay any tax imposed by this chapter fails to timely file such return or fails to pay the tax due within the time required hereunder, in addition to all other penalties provided herein and by the laws of this state in respect to such taxes, a specific penalty shall be added to the tax in the amount of 5 percent of any unpaid tax if the failure is for not more than 30 days, with an additional 5 percent of any unpaid tax for each additional 30 days, or fraction thereof, during the time which the failure continues, not to exceed, however, a total penalty of 100 percent, in the aggregate, of any unpaid tax. In no event may the penalty be less than $5 for failure to timely file a tax return required by s. 212.11. In the case of a false or fraudulent return or a willful intent to evade payment of any tax imposed under this chapter, in addition to the other penalties

return or willfully attempting to evade the payment of such a
tax shall be liable to a specific penalty of 50 percent of the

conviction of a *felony* *misdemeanor* of the *third second* degree.

(13) In order to aid the administration and
enforcement of the provisions of this chapter with respect to
the rentals and license fees, each lessor or person granting
the use of any hotel, apartment house, roominghouse, tourist
or trailer camp, real property, or any interest therein, or
any portion thereof, inclusive of owners, property managers,
lessors, landlords, hotel, apartment house, and roominghouse
operators and all licensed real estate agents within the state

be required to keep a record of each and every such lease,
license, or rental transaction which is taxable under this
chapter, in such a manner and upon such forms as the
department may prescribe, and to report such transaction to
the department or its designated agents, and to maintain such
records for a period of not less than 3 years, subject to the
inspection of the department and its agents; and, upon the
failure by such owner, property manager, lessor, landlord,

tax levied by this chapter, the department is hereby
specifically authorized and empowered to examine at all
reasonable hours the books, records, and other documents of
all transportation companies, agencies, or firms that conduct
their business by truck, rail, water, aircraft, or otherwise,
in order to determine what dealers, or other persons charged
with the duty to report or pay a tax under this chapter, are
importing or are otherwise shipping in articles or tangible
personal property which are liable for said tax. In the event
said transportation company, agency, or firm refuses to permit
such examination of its books, records, or other documents by
the department as aforesaid, it is guilty of a felony
misdemeanor of the third second degree, punishable as provided
in s. 775.082, s. 775.083, or s. 775.084. The department
shall have the right to proceed in any chancery court to seek
a mandatory injunction or other appropriate remedy to enforce
its right against the offender, as granted by this section, to
require an examination of the books and records of such
transportation company or carrier.

(2) Each dealer, as defined in this chapter, shall

be paid under this chapter to be accompanied with a written
statement, of the person or by an officer of any firm or
corporation required to pay such taxes setting forth such
facts as the department may reasonably require in order to
advise the department as to the amount of taxes that are due

CODING: Words stricken are deletions; words underlined are additions.

constitutes a good and valid receipt to the person holding the
same, as against any person holding or claiming to hold

such property consists of a motor vehicle, the certificate
constitutes notice when received, to any public official
charged with the registration of title of motor vehicles, of

manner as if the certificate of title to such motor vehicle
were transferred or assigned by the party holding the same, in
lieu of any original or prior certificate of title, which
shall be void whether canceled or not.

(5) In the case of the sale of real property pursuant
to s. 213.72, the deed of sale given pursuant to this section
shall be prima facie evidence of the facts stated therein and
if the proceedings by the executive director or his designee
have been substantially in accordance with the provisions of
this chapter and the rules of the department, such deed
constitutes a conveyance of all the right, title, and interest
the party delinquent had in and to the real property thus sold

to such person at the time of receipt by them of such notice.
All persons so notified shall, within 5 days after receipt of
the notice, advise the department of all such credits, other
personal property, or debts in their possession, under their
control, or owing by them. After receiving the notice, the
persons so notified may not transfer or make any other
disposition of the credits, other personal property, or debts

receive such notice unless the department consents to a
transfer or disposition or until 120 days elapse after the
receipt of the notice, whichever period expires sooner, except

personal property belonging to such person or any debts
incurred and owing to such person which may come within their
possession or under their control during the time prescribed
by the notice or until the department consents to a transfer
or disposition, whichever expires sooner. If such notice
seeks to prevent the transfer or other disposition of a
deposit in a bank or other credits or personal property in the
possession or under the control of a bank, the notice, to be
effective, must be delivered or mailed to the office of such
bank at which the deposit is carried or at which the credits
or personal property is held. If, during the effective period
of the notice to withhold, any person so notified makes any
transfer or disposition of the property or debts required to
be withheld under this section, such person is liable to the
state for any indebtedness due from the person with respect to
whose obligation such notice was given to the extent of the
value of the property or the amount of the debts thus
transferred or paid if, solely by reason of such transfer or
disposition, the state is unable to recover the indebtedness
of the person with respect to whose obligation the notice was
given. All such credits or other personal property or debts
are subject to garnishment by the department for satisfaction
of the delinquent tax due.

CODING: Words stricken are deletions; words underlined are additions.
