212.03 Transient rentals tax; rate, procedure,
enforcement, exemptions.--

(1) It is hereby declared to be the legislative intent
that every person is exercising a taxable privilege who
engages in the business of renting, leasing, or letting any
living quarters or sleeping or housekeeping accommodations in,
from, or a part of, or in connection with any hotel, apartment
house, roominghouse, or tourist or trailer camp. For the
exercise of such privilege, a tax is hereby levied in an
amount equal to 5.5 percent of and on the total rental
charged for such living quarters or sleeping or housekeeping
accommodations by the person charging or collecting the
rental. Such tax shall apply to hotels, apartment houses,
roominghouses, or tourist or trailer camps whether or not
there is in connection with any of the same any dining rooms,
cafes, or other places where meals or lunches are sold or
served to guests.

(2) The tax provided for herein shall be in addition
to the total amount of the rental, shall be charged by the
lessor or person receiving the rent in and by said rental
arrangement to the lessee or person paying the rental, and
shall be due and payable at the time of the receipt of such
rental payment by the lessor or person, as defined in this
chapter, who receives said rental or payment. The owner,
lessor, or person receiving the rent shall remit the tax to
the department at the times and in the manner hereinafter
provided for dealers to remit taxes under this chapter. The
same duties imposed by this chapter upon dealers in tangible
personal property respecting the collection and remission of
the tax; the making of returns; the keeping of books, records,
and accounts; and the compliance with the rules and
regulations of the department in the administration of this
chapter shall apply to and be binding upon all persons who
manage or operate hotels, apartment houses, roominghouses,
tourist and trailer camps, and the rental of condominium
units, and to all persons who collect or receive such rents on
behalf of such owner or lessor taxable under this chapter.

CODING: Words stricken are deletions; words underlined are additions.
(3) When rentals are received by way of property, goods, wares, merchandise, services, or other things of value, the tax shall be at the rate of 5.5 percent of the value of the property, goods, wares, merchandise, services, or other things of value.

(4) The tax levied by this section shall not apply to, be imposed upon, or collected from any person who shall have entered into a bona fide written lease for longer than 6 months in duration for continuous residence at any one hotel, apartment house, roominghouse, tourist or trailer camp, or condominium, or to any person who shall reside continuously longer than 6 months at any one hotel, apartment house, roominghouse, tourist or trailer camp, or condominium and shall have paid the tax levied by this section for 6 months of residence in any one hotel, roominghouse, apartment house, tourist or trailer camp, or condominium. Notwithstanding other provisions of this chapter, no tax shall be imposed upon rooms provided guests when there is no consideration involved between the guest and the public lodging establishment.

Further, any person who, on the effective date of this act, has resided continuously for 6 months at any one hotel, apartment house, roominghouse, tourist or trailer camp, or condominium, or, if less than 6 months, has paid the tax imposed herein until he shall have resided continuously for 6 months, shall thereafter be exempt, so long as such person shall continuously reside at such location. The Department of Revenue shall have the power to reform the rental contract for the purposes of this chapter if the rental payments are collected in other than equal daily, weekly, or monthly amounts so as to reflect the actual consideration to be paid.

in the future for the right of occupancy during the first 6
months.

(5) The tax imposed by this section shall constitute a
lien on the property of the lessee or rentee of any sleeping
accommodations in the same manner as and shall be collectible
as are liens authorized and imposed by ss. 713.68 and 713.69.

(6) It is the legislative intent that every person is
engaging in a taxable privilege who leases or rents parking or
storage spaces for motor vehicles in parking lots or garages,
who leases or rents docking or storage spaces for boats in

storage space for aircraft at airports. For the exercise of
this privilege, a tax is hereby levied at the rate of 5.5 percent
on the total rental charged.

(7)(a) Full-time students enrolled in an institution
offering postsecondary education and military personnel
currently on active duty who reside in the facilities
described in subsection (1) shall be exempt from the tax
imposed by this section. The department shall be empowered to
determine what shall be deemed acceptable proof of full-time
enrollment. The exemption contained in this subsection shall
apply irrespective of any other provisions of this section.
The tax levied by this section shall not apply to or be

person who resides in any building or group of buildings

which are intended primarily for rental as a principal or
permanent place of residence is exempt from the tax imposed by
this chapter. The rental of facilities that primarily serve
transient guests is not exempt by this subsection. In the
application of this law, or in making any determination
against the exemption, the department shall consider and be

with the land appertaining thereto, established, operated, or
used as living quarters for seasonal, temporary, or migrant
workers.

Section 5. Paragraphs (c) and (d) of subsection (1) of
section 212.031, Florida Statutes, as amended by sections 8

212.04 Admissions tax; rate, procedure, enforcement.—

(1)(a) It is hereby declared to be the legislative intent that every person is exercising a taxable privilege who sells or receives anything of value by way of admissions.

(b) For the exercise of such privilege, a tax is levied at the rate of 5.5 percent of sales price, or the actual value received from such admissions, which 5.5 percent shall be added to and collected with all such admissions from the purchaser thereof; and such tax shall be paid for the exercise of the privilege as defined in the preceding paragraph. Each ticket shall show on its face the actual sales price of admission, and the tax shall be computed and collected on the basis of each such admission price. The sale price or actual value of admission shall, for the purpose of this chapter, be that price remaining after deduction of federal taxes, if any, imposed upon such admission; and the rate of tax on each admission shall be according to the brackets established by s. 212.12(9).
(2)(a)1. No tax shall be levied on admissions to athletic or other events sponsored by elementary schools, junior high schools, middle schools, high schools, community colleges, public or private colleges and universities, deaf and blind schools, facilities of the youth services programs of the Department of Health and Rehabilitative Services, and state correctional institutions when only student, faculty, or inmate talent is utilized. However, this exemption shall not apply to admission to athletic events sponsored by an institution within the State University System, and the proceeds of the tax collected on such admissions shall be retained and utilized by each institution to support women's athletics as provided in s. 240.533(4)(c).

2. No tax shall be levied on dues, membership fees and admission charges imposed by not-for-profit religious sponsoring organizations. To receive this exemption, the sponsoring organization must qualify as a not-for-profit entity under the provisions of s. 501(c)(3) of the United States Internal Revenue Code of 1954, as amended.

3. No tax shall be levied on an admission paid by a student, or on his behalf, to any required place of sport or recreation if the student's participation in the sport or recreational activity is required as a part of a program or activity sponsored by, and under the jurisdiction of, the student's educational institution, provided his attendance is as a participant and not as a spectator.

4. No tax shall be levied on admissions to the National Football League championship game.

5. No tax shall be levied on admissions to athletic or other events sponsored by governmental entities.

CODING: Words stricken are deletions; words underlined are additions.
(b) No municipality of the state shall levy an excise tax on admissions.

(c) The taxes imposed by this section shall be collected in addition to the admission tax collected pursuant to s. 550.09, but the amount collected under s. 550.09 shall not be subject to taxation under this chapter.

(3) Such taxes shall be paid and remitted at the same time and in the same manner as provided for remitting taxes on sales of tangible personal property, as hereinafter provided.

(4) Each person who exercises the privilege of charging admission taxes, as herein defined, shall apply for, and at that time shall furnish the information and comply with the provisions of s. 212.18 not inconsistent herewith and receive from the department, a certificate of right to exercise such privilege, which certificate shall apply to each place of business where such privilege is exercised and shall be in the manner and form prescribed by the department. Such certificate shall be issued upon payment to the department of a registration fee of $5 by the applicant. Each person exercising the privilege of charging such admission taxes as herein defined shall cause to be kept records and accounts showing the admission which shall be in the form as the department may from time to time prescribe, inclusive of records of all tickets numbered and issued for a period of not less than 3 years, and inclusive of all bills or checks of customers who are charged any of the taxes defined herein, showing the charge made to each for a period of not less than 3 years. The department is empowered to use each and every one of the powers granted herein to the department to discover the amount of tax to be paid by each such person and to enforce the payment thereof as are hereby granted the

department for the discovery and enforcement of the payment of
taxes hereinafter levied on the sales of tangible personal
property. The failure of any person to pay such taxes before
the 21st day of the succeeding month after the taxes are
collected shall render such person liable to the same
penalties that are hereafter imposed upon such person for
being delinquent in the payment of taxes imposed upon the
sales of tangible personal property; and the failure of any
person to render returns and to pay taxes as prescribed herein
shall render such person subject to the same penalties, by way
of charges for delinquencies, at the rate of 5 percent per
month for a total amount of tax delinquent up to a total of 25
percent of such tax, and at the rate of 50-percent penalty for
attempted evasion of payment of any such tax or for any
attempt to file false or misleading returns that are required
to be filed by the department.

(5) All of the provisions of this chapter relating to
collection, investigation, discovery, and aids to collection
of taxes upon sales of tangible personal property shall
likewise apply to all privileges described or referred to in
this section; and the obligations imposed in this chapter upon
retailers are hereby imposed upon the seller of such
admissions. When tickets or admissions are sold and not used
but returned and credited by the seller, the seller may apply
to the department for a credit allowance for such returned
tickets or admissions if advance payments have been made by
the buyer and have been returned by the seller, upon such form
and in such manner as the department may from time to time
prescribe; and the department may, upon obtaining satisfactory
proof of the refunds on the part of the seller, credit the
seller for taxes paid upon admissions that have been returned

unused to the purchaser of those admissions. The seller of
admissions, upon the payment of the taxes before they become
delinquent and the rendering of the returns in accordance with
the requirement of the department and as provided in this law,
shall be entitled to a discount of 3 percent of the amount of
taxes upon the payment thereof before such taxes become
delinquent, in the same manner as permitted the sellers of
tangible personal property in this chapter. However, if the
amount of the tax due and remitted to the department for the
reporting period exceeds $1,000, the 3-percent discount shall
be reduced to 1 percent for all amounts in excess of $1,000.

(6) Admission taxes required to be paid by this
chapter shall be paid to the department by the owner or the
collector of such admission. When any place of business is
sold or transferred by any owner, wherein such admission taxes
have accrued or are accruing, such owner shall be obligated
before such sale becomes effective to notify the department of
such pending sale and secure from the department a certificate
of registration as prescribed in this section, and the
purchaser shall become obligated to withhold from the sales
price such sum of money as will safely be required to
discharge all accrued admission taxes upon such places of
business; and, upon the failure of any such purchaser to
withhold, he shall become obligated to pay all accrued
admission taxes, and the same shall become a lien upon all of
the purchaser's assets until the same have been paid and fully
discharged.

(7) The taxes under this section shall become a lien
upon the assets of the owner of any business exercising the
privilege of selling admissions, and the collection of such
admissions, as defined hereunder, and shall remain a lien.

CODING: Words stricken are deletions; words underlined are additions.
until fully paid and discharged. Such lien may be enforced in
the manner provided hereinafter for the enforcement of the
collection of taxes imposed upon the sales of tangible
personal property.

(8) The word "owners" as used in this chapter shall be
taken to include and mean all persons obligated to collect and
pay over to the state the tax imposed under this section,
inclusive of all holders of certificates of registration
issued as herein provided. Wherever the word "owner" or
"owners" is used herein, it shall be taken to mean and include
all persons liable for such admission taxes unless it appears
from the context that the words are descriptive of property
owners.

Section 7. Section 212.05, Florida Statutes, as
amended by section 10 of chapter 87-6, sections 2 and 9 of
chapter 87-99, section 12 of chapter 87-101, and section 7 of
chapter 87-402, Laws of Florida, is amended to read:

212.05 Sales, storage, use tax.--It is hereby declared
to be the legislative intent that every person is exercising a
taxable privilege who engages in the business of selling
tangible personal property at retail in this state, including
the business of making mail order sales, or who rents or
furnishes any of the things or services taxable under this
chapter section, or who stores for use or consumption in this
state any item or article of tangible personal property as
defined herein and who leases or rents such property within
the state.

(1) For the exercise of such privilege, a tax is
levied on each taxable transaction or incident, which tax is
due and payable as follows:
(a)1.a. At the rate of 5.5 percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall, by rule, adopt the NADA Official Used Car Guide as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (f), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph shall be computed by the department on such average loan price unless the parties to the sale have provided to the tax collector an affidavit signed by each party, or other substantial proof, stating the actual sales price. Any party to such sale who reports a sales price less than the actual sales price is guilty of a misdemeanor of the second degree, punishable as provided in s. 775.083. The department shall collect or attempt to collect from such party any delinquent sales taxes. In addition, such party shall pay any tax due and any penalty and interest assessed, plus a penalty equal to twice the amount of the additional tax owed. Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any
penalty imposed after July 1, 1985, pursuant to this
subparagraph.

2. This paragraph does not apply to the sale of a boat
or airplane by or through a registered dealer under this
chapter to a purchaser who removes such boat or airplane from
this state within 10 days after the date of purchase or, when
the boat or airplane is repaired or altered, within 10 days
after completion of such repairs or alterations. In no event
shall the boat or airplane remain in this state more than 90
days after the date of purchase. This exemption shall not be
allowed unless the seller:

a. Obtains from the purchaser within 90 days from the
date of sale written proof that the purchaser licensed,
registered, or documented the boat or airplane outside the
state;

b. Requires the purchaser to sign an affidavit that he
has read the provisions of this section; and

c. Makes the affidavit a part of his permanent record.

In the event the purchaser fails to remove the boat or
airplane from this state within 10 days after purchase or,
when the boat or airplane is repaired or altered, within 10
days after completion of such repairs or alterations, or
permits the boat or airplane to return to this state within 6
months from the date of departure, the purchaser shall be
liable for use tax on the cost price of the boat or airplane

Section 8. Effective July 1, 1988, paragraph (a) of
subsection (1) of section 212.05, Florida Statutes, as amended
by section 83 of chapter 87-6 and section 52 of chapter 87-
101, Laws of Florida, is amended to read:

212.05 Sales, storage, use tax.—It is hereby declared
to be the legislative intent that every person is exercising a
taxable privilege who engages in the business of selling
tangible personal property at retail in this state, including
the business of making mail order sales, or who rents or
furnishes any of the things or services taxable under this
chapter section, or who stores for use or consumption in this
state any item or article of tangible personal property as
defined herein and who leases or rents such property within
the state.
(1) For the exercise of such privilege, a tax is
levied on each taxable transaction or incident, which tax is
due and payable as follows:

(a)1.a. At the rate of 5.5 percent of the sales
price of each item or article of tangible personal property
when sold at retail in this state, computed on each taxable
sale for the purpose of remitting the amount of tax due the
state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft,
boat, mobile home, or motor vehicle of a class or type which
is required to be registered, licensed, titled, or documented
in this state or by the United States Government shall be
subject to tax at the rate provided in this paragraph. The
department shall, by rule, adopt the NADA Official Used Car
Guide as the reference price list for any used motor vehicle
which is required to be licensed pursuant to s. 320.08(1),
(2), (3)(a), (b), (c), or (f), or (9). If any party to an
occasional or isolated sale of such a vehicle reports to the
tax collector a sales price which is less than 80 percent of
the average loan price for the specified model and year of
such vehicle as listed in the most recent reference price
list, the tax levied under this paragraph shall be computed by
the department on such average loan price unless the parties
to the sale have provided to the tax collector an affidavit
signed by each party, or other substantial proof, stating the
actual sales price. Any party to such sale who reports a
sales price less than the actual sales price is guilty of a
misdemeanor of the first degree, punishable as provided in s.
775.082, s. 775.083, or s. 775.084. The department shall
collect or attempt to collect from such party any delinquent
sales taxes. In addition, such party shall pay any tax due
and any penalty and interest assessed, plus a penalty equal to twice the amount of the additional tax owed. Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any penalty imposed after July 1, 1985, pursuant to this subparagraph sub-subparagraph. Per-purposes of this subparagraph an occasional or isolated sale is one-in-which-the-seller-is-not-a-motor-vehicle-dealer-as defined-in-sr-320-27f.§(c)§

2. This paragraph does not apply to the sale of a boat or airplane by or through a registered dealer under this chapter to a purchaser who removes such boat or airplane from this state within 10 days after the date of purchase or, when the boat or airplane is repaired or altered, within 10 days after completion of such repairs or alterations. In no event shall the boat or airplane remain in this state more than 90 days after the date of purchase. This exemption shall not be allowed unless the seller:

   a. Obtains from the purchaser within 90 days from the date of sale written proof that the purchaser licensed, registered, or documented the boat or airplane outside the state;

   b. Requires the purchaser to sign an affidavit that he has read the provisions of this section; and

   c. Makes the affidavit a part of his permanent record.

In the event the purchaser fails to remove the boat or airplane from this state within 10 days after purchase or, when the boat or airplane is repaired or altered, within 10 days after completion of such repairs or alterations, or permits the boat or airplane to return to this state within 6 months from the date of departure, the purchaser shall be

liable for use tax on the cost price of the boat or airplane
and, in addition thereto, payment of a penalty to the
Department of Revenue equal to the tax payable. This penalty
shall be in lieu of the penalty imposed by s. 212.12(2) and is
mandatory and shall not be waived by the department.

Section 9. Effective upon this act becoming law,
section 212.055, Florida Statutes, as amended by section 8 of
chapter 87-99, section 1 of chapter 87-100, and section 2 of
chapter 87-239, Laws of Florida, is amended, and paragraphs
(c) through (i) of subsection (3) are redesignated as
paragraphs (d) through (j), respectively, and a new paragraph
(c) is added to said subsection to read:

212.055 Discretionary sales surtaxes; legislative
intent; authorization and use of proceeds.--It is the
legislative intent that any authorization for imposition of a
discretionary sales surtax shall be published in the Florida
Statutes as a subsection of this section, irrespective of the
duration of the levy. Each enactment shall specify the types
of counties authorized to levy; the rate or rates which may be
imposed; the maximum length of time the surtax may be imposed,
if any; the procedure which must be followed to secure voter
approval, if required; the purpose for which the proceeds may
be expended; and such other requirements as the Legislature
may provide. Taxable transactions and administrative
procedures shall be as provided in s. 212.054.

a discretionary sales surtax, subject to approval by a
majority vote of the electorate of the county.

CODING: Words stricken are deletions; words underlined are additions.
(b) The rate shall be up to two-elevenths one-fifth
\( \frac{\text{20-percent}}{20} \) or in incremental parts thereof as established by
the county governing body, of any amount of tax imposed by and
paid to the state pursuant to this part, except this section
and s. 212.054.

2. Notwithstanding subparagraph 1, for any county the
government of which is consolidated with that of one or more
municipalities, upon the retirement of any bonds which were
issued for the construction of roads and bridges and which
were outstanding on the effective date of this act, the rate
shall be one-tenth \( \frac{\text{10-percent}}{10} \) of any amount of tax imposed
by and paid to the state pursuant to this part, except this
section and s. 212.054.

(c) The proposal to adopt a discretionary sales surtax
as provided in this subsection and to create a rapid transit
trust fund within the county accounts shall be placed on the
ballot in accordance with law at a time to be set at the
discretion of the governing body.

(d) Proceeds from the surtax shall be:

1. Deposited by the county in the rapid transit trust
fund and shall be used only for the purposes of development,
construction, equipment, maintenance, operation, supportive
services, including a countywide bus system, and related costs
of a fixed guideway rapid transit system; or

2. Remitted by the governing body of the county to an
expressway or transportation authority created by law to be
used, at the discretion of such authority, for the
development, construction, operation, or maintenance of roads

bus system, or the payment of principal and interest on
existing bonds issued for the construction of such roads or

bridges, and, upon approval by the county commission, such
proceeds may be pledged for bonds issued to refinance existing
bonds or new bonds issued for the construction of such roads
or bridges.

(e) Notwithstanding the provisions of s. 212.054(5),
the surtax shall take effect on the first day of a month as
fixed by the county governing body; however, the surtax shall
not take effect until at least 60 days following the electors'
approval.

(2) INDIGENT CARE SURTAX.--
(a) The governing authority in each county which has a
publicly owned, publicly operated, and publicly managed
regional referral hospital, as defined in s. 154.304(4), which
hospital has an affiliation agreement with a state university
medical school located in that county and which hospital would
have received from the county between October 1, 1982, and
September 30, 1983, more than it actually received for
providing health care for recipient indigent patients had
1982-1983 federal poverty guidelines been applied, is
authorized to levy by ordinance, for the period January 1,
1986, through March 31, 1987, or any quarterly portion
thereof, a discretionary sales surtax.

(b) The rate shall be 5 percent of any tax paid to the
state pursuant to this part, except this section and s.
212.054.

(c) The provisions of s. 212.054(2)(b)1. shall not
apply to the surtax authorized by this subsection.

providing for the imposition of the surtax shall set forth
criteria for the selection of the providers of the health care
services to be paid therefor from the proceeds thereof.

CODING: Words stricken are deletions; words underlined are additions.
(e) The department shall disburse the moneys to the clerk of the circuit court as ex officio custodian of the funds of the authorizing county, who shall maintain the moneys in an Indigent Health Care Trust Fund. Any funds on deposit in the trust fund created pursuant to this paragraph shall be invested pursuant to general law. The moneys in an Indigent Health Care Trust Fund for an authorizing county and any interest thereon shall be expended within that county or, in the case of a negotiated joint county agreement by that authorizing county with another county, within such other county, to provide health care to certified indigent patients as defined by s. 154.304(1) who are residents of the authorizing county.

(f) In enacting this subsection the Legislature expressly finds that it would be an unconstitutional use of the taxing power of the state for any holders of any hospital revenue obligation bonds to have a lien on any of the funds raised under this subsection until those funds are received by the health care provider for services rendered as provided. The moneys in an Indigent Health Care Trust Fund for an authorizing county, and any interest thereon, shall remain the property of the State of Florida and shall be distributed by the Department of Revenue on a regular and periodic basis to the governing authority of the authorizing county, in trust, until they are paid to the account of the appropriate provider of health care services to certified indigent patients for services rendered after the effective date of this act, and the funds shall not be disbursed from the trust fund until the authorizing county has paid out of county funds for indigent health care a sum equal to the amount which the authorizing county paid for indigent health care out of county funds in

The levy of the surtax shall be pursuant to ordinance enacted by a majority vote plus one of the members of the county governing authority and approved by a majority of the electors of the county voting in a referendum on the surtax. If the governing bodies of the municipalities representing a majority of the county's municipal population adopt uniform resolutions establishing the rate of the surtax and calling for a referendum on the surtax, the levy of the surtax shall be placed on the ballot and shall take effect if approved by a majority of the electors of the county voting in the referendum on the surtax. No referendum election called pursuant to the provisions of this subsection shall be held between March 9 and December 31, 1987.

(1) of section 212.12, Florida Statutes, as amended by section
17 of chapter 87-6 and section 16 of chapter 87-101, Laws of

(1) Notwithstanding any other provision of law and for
the purpose of compensating persons granting licenses for and

department is authorized to negotiate a collection allowance,
pursuant to rules promulgated by the department, with a dealer
who makes mail order sales. The rules of the department shall

based upon the dealer's estimated costs of collecting the tax,

3.a. To receive an exemption provided by subparagraph 1. or subparagraph 2., a qualifying business entity shall apply to the department for a temporary tax exemption permit. The application shall state that a new business exemption or...
expanded business exemption is being sought. Upon a tentative
affirmative determination by the department pursuant to

the temporary tax permit shall be delivered to the department
or returned to the department by certified or registered mail.
The department shall have 4 years from the date of delivery or

c. If, in a subsequent audit conducted by the

the amount of taxes exempted at the time of purchase shall
immediately be due and payable to the department by the
business entity, together with the appropriate interest and
penalty, computed from the date of purchase, in the manner
prescribed by this chapter.

4. The department shall promulgate rules governing
applications for, issuance of, and the form of temporary tax
exemption permits; provisions for recapture of taxes; and the
manner and form of refund applications and may establish
guidelines as to the requisites for an affirmative showing of

Increases in productive output shall be measured by the output for 12 continuous months immediately following the completion of installation of such machinery or equipment over the output for the 12 continuous months immediately preceding such installation. However, if a different 12-month continuous period of time would more accurately reflect the increase in productive output of machinery and equipment purchased to facilitate an expansion, the increase in productive output may be measured during that 12-month continuous period of time if such time period is mutually agreed upon by the Department of Revenue and the expanding business prior to the commencement of production; but in no case may such time period begin later than 2 years following the completion of installation of the new machinery and equipment. The units used to measure productive output shall be physically comparable between the two periods, irrespective of sales.

(c) Machinery and equipment-or-services used in production of electrical or steam energy.—The purchase of machinery and equipment for use at a fixed location, which equipment and machinery are necessary in the production of electrical or steam energy resulting from the burning of boiler fuels other than residual oil, is and-services-directly related-to-the-installation-of-such-machinery-and-equipment, excluding-construction-services, are exempt from the tax imposed by this chapter. imposed in this chapter on that portion of the tax which is in
excess of $100,000 per calendar year upon an affirmative
showing by the taxpayer to the satisfaction of the department
that such items are used to increase the implicit productive
output of the expanded business by not less than 10 percent.
The percentage of increase is measured as deflated implicit
productive output for the calendar year during which the
installation of the machinery or equipment is completed or
during which commencement of production utilizing such items
is begun divided by the implicit productive output for the
preceding calendar year. In no case may the commencement of
production begin later than 2 years following completion of
installation of the machinery or equipment.

CODING: Words stricken are deletions; words underlined are additions.
2. The amount of the exemption allowed shall equal the
taxes otherwise imposed by this chapter in excess of $100,000
per calendar year on qualifying industrial machinery, or

receipts from cost-reimbursement type contracts attributable
to the plant or operation to total gross receipts so
attributable, accrued for the year of completion or
commencement.

inure to the taxpayer only through refund of previously paid
taxes. Such refund shall be made within 30 days of formal

b. "Deflated implicit productive output" means the
product of implicit productive output times the quotient of
the national defense implicit price deflator for the preceding
calendar year divided by the deflator for the year of
completion or commencement.

indirect costs, as defined in 32 C.F.R. ss. 15-202 and 15-203,
excluding general and administrative costs, selling expenses,
and profit, defined by the uniform cost-accounting standards
adopted by the Cost-Accounting Standards Board created
pursuant to 50 U.S.C. s. 2168.

Internal Revenue Code, provided such industrial machinery and
equipment qualified as an eligible cost under federal
procurement regulations and are used as an integral part of
the tangible personal property production process. Such term
includes parts and accessories only to the extent that the
exemption of such parts and accessories is consistent with the
provisions of this paragraph.

   f. "National defense implicit price deflator" means
the national defense implicit price deflator for the gross
national product as determined by the Bureau of Economic
Analysis of the United States Department of Commerce.

or equipment purchased pursuant to production contracts with
the United States Department of Defense and Armed Forces, the
National Aeronautics and Space Administration, and other

subsection (5) of section 212.08, Florida Statutes, 1986
Supplement, as further amended by section 59 of chapter 87-5
and section 34 of chapter 87-101, Laws of Florida, is amended
to read:

and storage tax; specified exemptions.--The sale at retail,

by part I of this chapter.

(5) EXEMPTIONS; ACCOUNT OF USE.--
(b) Machinery and equipment used to increase
productive output.--
1. Industrial machinery and equipment purchased for
use in new businesses which manufacture, process, compound, or
produce for sale items of tangible personal property at fixed
locations and services directly related to the installation of
such machinery and equipment, excluding construction services,
are exempt from the tax imposed by this chapter upon an
affirmative showing by the taxpayer to the satisfaction of the
department that such items are used in a new business in this
state. Such purchases must be made prior to the date the

CODING: Words stricken are deletions; words underlined are additions.
business first begins its productive operations, and delivery
of the purchased item must be made within 12 months of that
date.

2. Industrial machinery and equipment purchased for
use in expanding manufacturing facilities or plant units which
manufacture, process, compound, or produce for sale items of
tangible personal property at fixed locations in this state
and-services-directly-related-to-the-installation-of-such
machinery-and-equipment-excluding-construction-services, are
exempt from any amount of tax imposed by this chapter in
excess of $100,000 per calendar year upon an affirmative
showing by the taxpayer to the satisfaction of the department
that such items are used to increase the productive output of
such expanded business by not less than 10 percent.

3.a. To receive an exemption provided by subparagraph
1. or subparagraph 2., a qualifying business entity shall
apply to the department for a temporary tax exemption permit.
The application shall state that a new business exemption or
expanded business exemption is being sought. Upon a tentative
affirmative determination by the department pursuant to
subparagraph 1. or subparagraph 2., the department shall issue
such permit.

b. The applicant shall be required to maintain all
necessary books and records to support the exemption. Upon
completion of purchases of qualified machinery and equipment
or-services pursuant to subparagraph 1. or subparagraph 2.,
the temporary tax permit shall be delivered to the department
or returned to the department by certified or registered mail.

c. If, in a subsequent audit conducted by the
department, it is determined that the machinery and
equipment or-services purchased as exempt under subparagraph
1. or subparagraph 2, did not meet the criteria mandated by this paragraph or if commencement of production did not occur, the amount of taxes exempted at the time of purchase shall immediately be due and payable to the department by the business entity, together with the appropriate interest and penalty, computed from the date of purchase, in the manner prescribed by this chapter.

d. In the event a qualifying business entity fails to apply for a temporary exemption permit or if the tentative determination by the department required to obtain a temporary exemption permit is negative, a qualifying business entity shall receive the exemption provided in subparagraph 1, or subparagraph 2, through a refund of previously paid taxes. No refund may be made for such taxes unless the criteria mandated by subparagraph 1, or subparagraph 2, have been met and commencement of production has occurred.

4. The department shall promulgate rules governing applications for, issuance of, and the form of temporary tax exemption permits; provisions for recapture of taxes; and the manner and form of refund applications and may establish guidelines as to the requisites for an affirmative showing of increased productive output, commencement of production, and qualification for exemption.

5. The exemptions provided in subparagraphs 1, and 2, do not apply to machinery or equipment—or services purchased or used by electric utility companies, communications companies, phosphate or other solid minerals severance, mining, or processing operations, oil or gas exploration or production operations, printing or publishing firms, any firm subject to regulation by the Division of Hotels and Restaurants of the Department of Business Regulation, or any

CODING: Words stricken are deletions; words underlined are additions.
firm which does not manufacture, process, compound, or produce
for sale items of tangible personal property.

6. For the purposes of the exemptions provided in
subparagraphs 1. and 2., these terms have the following
meanings:

a. "Industrial machinery and equipment" means "section
38 property" as defined in s. 48(a)(1)(A) and (B)(i) of the
Internal Revenue Code, provided "industrial machinery and
equipment" shall be construed by regulations adopted by the
Department of Revenue to mean tangible property used as an
integral part of the manufacturing, processing, compounding,
or producing for sale of items of tangible personal property.
Such term includes parts and accessories only to the extent
that the exemption thereof is consistent with the provisions
of this paragraph.

b. "Productive output" means the number of units
actually produced by a single plant or operation in a single
continuous 12-month period, irrespective of sales. Increases
in productive output shall be measured by the output for 12
continuous months immediately following the completion of
installation of such machinery or equipment over the output
for the 12 continuous months immediately preceding such
installation. However, if a different 12-month continuous
period of time would more accurately reflect the increase in
productive output of machinery and equipment purchased to
facilitate an expansion, the increase in productive output may
be measured during that 12-month continuous period of time if
such time period is mutually agreed upon by the Department of
Revenue and the expanding business prior to the commencement
of production; but in no case may such time period begin later
than 2 years following the completion of installation of the

CODING: Words stricken are deletions; words underlined are additions.
new machinery and equipment. The units used to measure
productive output shall be physically comparable between the
two periods, irrespective of sales.

Section 21. Paragraph (a) of subsection (3), paragraph
(c) of subsection (4), and paragraph (a) of subsection (6) of
section 212.095, Florida Statutes, as amended by chapters 87-6
and 87-101, Laws of Florida, are amended to read:

2. A description of the item or services sold.
3. The date on which the purchase was made.
4. The price and amount of tax paid for the item or
   services.
5. The name and place of business of the seller at
   which the sale was made.

   refund.

3. The location at which the items or services for
   which a refund is claimed are used.
4. A description of each such item or service and the
   purpose for which such item or service was acquired.
5. Copies of the sales invoices of items or services for which a refund is being claimed.

(6)(a) Each registered dealer shall, in accordance with the requirements of the department, keep at his principal place of business in this state or at the location where the sale is made a complete record or duplicate sales tickets of all items or services sold by him for which a refund provided in this section may be claimed, which records shall contain the information required in paragraph (3)(a).

Section 22. Paragraph (d) of subsection (1) of section 212.11, Florida Statutes, as created by chapter 87-6, Laws of Florida, and amended by chapter 87-101, Laws of Florida, is hereby repealed.

Section 23. Paragraph (b) of subsection (5) and subsections (7) and (9) of section 212.12, Florida Statutes, 1986 Supplement, as amended by chapters 87-6 and 87-101, Laws of Florida, are amended to read:

212.12 Dealer's credit for collecting tax; penalties for noncompliance; powers of Department of Revenue in dealing with delinquents; brackets applicable to taxable transactions; records required.--

(5)

(b) In the event any dealer or other person charged herein fails or refuses to make his records available for inspection so that no audit or examination has been made of the books and records of such dealer or person, fails or refuses to register as a dealer, or fails to make a report and pay the tax as provided by this chapter; or makes a grossly incorrect report, or makes a report that is false or fraudulent, then, in such event, it shall be the duty of the department to make an assessment from an estimate based upon...
the best information then available to it for the taxable
period of retail sales of such dealer, the gross proceeds from
rentals, the total admissions received, amounts received from
leases of tangible personal property by such dealer, or of the
cost price of all articles of tangible personal property
imported by the dealer for use or consumption or distribution
or storage to be used or consumed in this state or-of-the
sales-or-cost-price-of-all-services-the-sale-or-use-of-which
is-taxable-under-this-part, together with interest, plus
penalty, if such have accrued, as the case may be. Then the
department shall proceed to collect such taxes, interest, and
penalty on the basis of such assessment, which shall be
considered prima facie correct; and the burden to show the
contrary shall rest upon the dealer, seller, owner, or lessor,
as the case may be.

(7) In the event the dealer has imported tangible
personal property or-has-acquired-services-outside-the-state
for-sale-or-use-in-this-state and he fails to produce an
invoice showing the cost price of the articles or-services, as
defined in this chapter, which are subject to tax, or the
invoice does not reflect the true or actual cost price as
defined herein, then the department shall ascertain, in any
manner feasible, the true cost price, and assess and collect
the tax thereon with interest plus penalties, if such have
accrued on the true cost price as assessed by it. The
assessment so made shall be considered prima facie correct,
and the duty shall be on the dealer to show to the contrary.

(9) Taxes imposed by this chapter upon the privilege
of the use, consumption, storage for consumption, or sale of
tangible personal property, admissions, license fees, rentals,
and communication services—and-upon-the-sale-or-use-of
services as herein taxed shall be collected upon the basis of
an addition of the tax imposed by this chapter to the total
price of such admissions, license fees, rentals, communication
or other services, or sale price of such article or articles
that are purchased, sold, or leased at any one time by or to a
customer or buyer; and the dealer, or person charged herein,
is required to pay a privilege tax in the amount of the tax
imposed by this chapter on the total of his gross sales of
tangible personal property, admissions, license fees, rentals,
and communication services or to collect a tax upon the sale
or use of services, and such person or dealer shall add the
tax imposed by this chapter to the price, license fee, rental,
or admissions, and communication or other services and collect
the total sum from the purchaser, admittee, licensee, lessee,
or consumer. Notwithstanding the rate of taxes imposed upon
the privilege of sales, admissions, license fees, rentals, and
communication services or upon the sale or use of services;
the following brackets shall be applicable to all transactions
taxable at the rate of 5 percent:

(a) On single sales of less than 10 cents, no tax
shall be added.

(b) On single sales in amounts from 10 cents to 20
cents, both inclusive, 1 cent shall be added for taxes.

(c) On sales in amounts from 21 cents to 40 cents,
both inclusive, 2 cents shall be added for taxes.

(d) On sales in amounts from 41 cents to 60 cents,
both inclusive, 3 cents shall be added for taxes.

(e) On sales in amounts from 61 cents to 80 cents,
both inclusive, 4 cents shall be added for taxes.

(f) On sales in amounts from 81 cents to $1, both
inclusive, 5 cents shall be added for taxes.
(g) On sales in amounts of more than $1, 5 percent
shall be charged upon each dollar of price, plus the
appropriate bracket charge upon any fractional part of a
dollar.

Section 24. (1) Subsections (2), (3), and (4) of
section 212.13, Florida Statutes, as amended by section 18 of
chapter 87-6, Laws of Florida, are amended to read:

212.13 Records required to be kept; power to inspect;
audit procedure.--

(2) Each dealer, as defined in this chapter, shall
secure, maintain, and keep for a period of 3 years a complete
record of tangible personal property or services received,
used, sold at retail, distributed or stored, leased or rented
by said dealer, together with invoices, bills of lading, gross
receipts from such sales, and other pertinent records and
papers as may be required by the department for the reasonable
administration of this chapter; and all such records which are
located or maintained in this state shall be open for
inspection by the department at all reasonable hours at such
dealer’s store, sales office, general office, warehouse, or
place of business located in this state. Any dealer who
maintains such books and records at a point outside this state
must make such books and records available for inspection by
the department where the general records are kept. Any dealer
subject to the provisions of this chapter who violates these
provisions is guilty of a misdemeanor of the second degree,
punishable as provided in s. 775.082 or s. 775.083.

(3) For the purpose of enforcement of this chapter,
every manufacturer and seller of tangible personal property or
services licensed within this state is required to permit the

to permit such examination by resort to the circuit courts of
this state, subject however to the right of removal of the
cause to the judicial circuit wherein such person's business
is located or wherein such person's books and records are
kept, provided further that such person's books and records
are kept within the state.

(4) For the further purpose of enforcement of this
chapter, every wholesaler of tangible personal property or
services licensed within this state is required to permit the
department to examine his books and records at all reasonable
hours. He must also maintain such books and records for a
period of not less than 3 years in order to disclose the sales
of all goods or services sold, and to whom sold, and also the
amount of items sold, in such form and in such manner as the
department may reasonably require, and so as to permit the
department to determine the volume of goods or services sold
by wholesalers to dealers, as defined under this chapter, and
the dates and amounts of sales made. The department may
require any manufacturer or wholesaler who refuses to keep
such records or to permit such inspection through the circuit
courts of Florida to submit to such inspection, subject
however to the right of removal of the cause as hereinbefore
provided in this section.

(2) Effective July 1, 1988, subsection (2) of section
212.13, Florida Statutes, as amended by section 89 of chapter
87-6 and section 57 of chapter 87-101, Laws of Florida, is
amended to read:
212.13 Records required to be kept; power to inspect;
audit procedure.--

CODING: Words stricken are deletions; words underlined are additions.
(2) Each dealer, as defined in this chapter, shall secure, maintain, and keep for a period of 3 years a complete record of tangible personal property or services received, used, sold at retail, distributed or stored, leased or rented by said dealer, together with invoices, bills of lading, gross receipts from such sales, and other pertinent records and papers as may be required by the department for the reasonable administration of this chapter; and all such records which are located or maintained in this state shall be open for inspection by the department at all reasonable hours at such dealer's store, sales office, general office, warehouse, or place of business located in this state. Any dealer who maintains such books and records at a point outside this state must make such books and records available for inspection by the department where the general records are kept. Any dealer subject to the provisions of this chapter who violates these provisions is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

Section 25. Subsection (1) of section 212.14, Florida Statutes, 1986 Supplement, as amended by chapter 87-6, Laws of Florida, is amended to read:

212.14 Departmental powers; hearings, subpoena; distress warrants; time for assessments.--

(1) Any person required to pay a tax imposed under this chapter, or to make a return, either or both, and who renders a return or makes a payment of a tax with intent to deceive or defraud the state, and to prevent the state from collecting the amount of taxes imposed by this chapter, or otherwise fails to comply with the provisions of this chapter for the taxable period for which any return is made, or any
tax is paid, or any report is made to the department, may be
required by the department to show cause at a time and place
to be set by the department, after 10 days' notice in writing
requiring such books, records, or papers as the department may
require relating to the business of such person for such tax
period, and the department may require such person, or
persons, or their employee or employees to give testimony
under oath and answer interrogatories by the department, or an
assistant, respecting the sale, use, consumption,
distribution, or storage rental or license for use of real or
personal property or services within the state, or admissions
collected therein, or the failure to make a true report
thereof, as provided by this chapter, or failure to pay the
true amount of the tax required to be paid under this chapter.
At said hearing, in the event such person fails to produce
such books, records, or papers, or to appear and answer
questions within the scope of investigation relating to
matters concerning taxes to be imposed under this chapter, or
prevents or impedes his or her agents or employees from giving
testimony, then the department is authorized under this
chapter to estimate any unpaid deficiencies in taxes to be
assessed against such person upon such information as may be
available to it and to issue a distress warrant for the
collection of such taxes, interest, or penalties estimated by
him to be due and payable, and such assessment shall be deemed
prima facie correct. In such cases said warrant shall be
issued to any sheriff in the state where such person owns or
possesses any property and such property as may be required to
satisfy any such taxes, interest, or penalties shall be by
such sheriff seized and sold under said distress warrant in
the same manner as property is permitted to be seized and sold
under distress warrants issued to secure the payments of
delinquent taxes as hereinafter provided, and the department
shall also have the right to writ of garnishment to subject
any indebtedness due to the delinquent dealer by a third
person in any goods, money, chattels, or effects of the
delinquent dealer in the hands, possession, or control of the
third person in the manner provided by law. Respecting the
place for the holding of a hearing by the department or its
agents as provided in this section, the person whose tax
return or report being investigated may by written request to
the department require the hearing be set at a place within
the judicial circuit of Florida wherein the person's business
is located or within the judicial circuit of Florida wherein
such person's books and records are kept.

Section 26. Subsections (3) and (7) of section 212.17,
Florida Statutes, 1986 Supplement, as amended by chapter 87-6,
Laws of Florida, are amended to read:

212.17 Credits for returned goods, returned-payments
for-services, rentals, or admissions; additional powers of
department.—

(3) A dealer who has paid the tax imposed by this
chapter on tangible personal property or-services may take a
credit or obtain a refund for any tax paid by him on the
unpaid balance due on worthless accounts within 12 months
following the month in which the bad debt has been charged off
for federal income tax purposes. If any accounts so charged
off for which a credit or refund has been obtained are
thereafter in whole or in part paid to the dealer, the amount
so paid shall be included in the first return filed after such
collection and the tax paid accordingly.

CODING: Words stricken are deletions; words underlined are additions.
(7) The department, where admissions, license fees, or rental payments or payments for services are made and thereafter returned to the payers after the taxes thereon have been paid, shall return or credit the taxpayer for taxes so paid on the moneys returned in the same manner as is provided for returns or credits of taxes where purchases or tangible personal property are returnable to a dealer.

Section 27. (1) Subsection (3) of section 212.18, Florida Statutes, 1986 Supplement, as amended by section 21 of chapter 87-6 and chapter 87-402, Laws of Florida, is amended to read:

The application shall be made to the department before the person, firm, copartnership, or corporation may engage in such business; and it shall be accompanied by a registration fee of $5. However, no registration fee is required to accompany an application to engage in or conduct business to make mail order sales. The department, upon receipt of such application, will grant to the applicant a separate

120.57 Decisions which affect substantial interests.--

The provisions of this section apply in all proceedings in which the substantial interests of a party are determined by an agency, unless such proceedings are exempt pursuant to subsection (5). Unless waived by all parties, subsection (1) applies whenever the proceeding involves a disputed issue of material fact. Unless otherwise agreed, subsection (2) applies in all other cases.

(a) FORMAL PROCEEDINGS.--

(b) In any case to which this subsection is applicable, the following procedures apply:

1. A request for a hearing shall be granted or denied within 15 days of receipt.

2. All parties shall be afforded an opportunity for a hearing after reasonable notice of not less than 14 days; however, the 14-day notice requirement may be waived with the consent of all parties. In a preliminary hearing for the revocation of parole, no less than 7 days' notice shall be given. In a hearing involving a student disciplinary suspension or expulsion conducted by an educational unit, the 14-day notice requirement may be waived by the agency head or the hearing officer without the consent of the parties. The notice shall include:

CODING: Words stricken are deletions; words underlined are additions.
a. A statement of the time, place, and nature of the hearing.

b. A statement of the legal authority and jurisdiction under which the hearing is to be held.

c. A reference to the particular sections of the statutes and rules involved.

d. Except for any hearing before an unemployment compensation appeals referee, a short and plain statement of the matters asserted by the agency and by all parties of record at the time notice is given. If the agency or any party is unable to state the matters in sufficient detail at the time initial notice is given, the notice may be limited to a statement of the issues involved, and thereafter, upon timely written application, a more definite and detailed statement shall be furnished not less than 3 days prior to the date set for the hearing.

3. Except for any proceeding conducted as prescribed in s. 120.54(4) or s. 120.56, or s. 575.11 a petition or request for a hearing under this section shall be filed with the agency. If the agency elects to request a hearing officer from the division, it shall so notify the division within 15 days of receipt of the petition or request. When the Florida Land and Water Adjudicatory Commission receives a notice of appeal pursuant to s. 380.07, the commission shall notify the division within 60 days of receipt of the notice of appeal if the commission elects to request the assignment of a hearing officer. On the request of any agency, the division shall assign a hearing officer with due regard to the expertise required for the particular matter. The referring agency shall take no further action with respect to the formal proceeding, except as a party litigant, as long as the
division has jurisdiction over the formal proceeding. Any 
party may request the disqualification of the hearing officer 
by filing an affidavit with the division prior to the taking 
of evidence at a hearing, stating the grounds with 
particularity.

4. All parties shall have an opportunity to respond, 
to present evidence and argument on all issues involved, to 
conduct cross-examination and submit rebuttal evidence, to 
submit proposed findings of facts and orders, to file 
exceptions to any order or hearing officer's recommended 
order, and to be represented by counsel. When appropriate, 
the general public may be given an opportunity to present oral 
or written communications. If the agency proposes to consider 
such material, then all parties shall be given an opportunity 
to cross-examine or challenge or rebut it.

5. All pleadings, motions, or other papers filed in 
the proceeding must be signed by a party, the party's 
attorney, or the party's qualified representative. The 
signature of a party, a party's attorney, or a party's 
qualified representative constitutes a certificate that he has 
read the pleading, motion, or other paper and that, to the 
best of his knowledge, information, and belief formed after 
reasonable inquiry, it is not interposed for any improper 
purposes, such as to harass or to cause unnecessary delay or 
for frivolous purpose or needless increase in the cost of 
litigation. If a pleading, motion, or other paper is signed 
in violation of these requirements, the hearing officer, upon 
motion or his own initiative, shall impose upon the person who 
signed it, a represented party, or both, an appropriate 
sanction, which may include an order to pay the other party or 
parties the amount of reasonable expenses incurred because of
the filing of the pleading, motion, or other paper, including
a reasonable attorney's fee.

6. The record in a case governed by this subsection
shall consist only of:
   a. All notices, pleadings, motions, and intermediate
      rulings;
   b. Evidence received or considered;
   c. A statement of matters officially recognized;
   d. Questions and proffers of proof and objections and
      rulings thereon;
   e. Proposed findings and exceptions;
   f. Any decision, opinion, proposed or recommended
      order, or report by the officer presiding at the hearing;
   g. All staff memoranda or data submitted to the
      hearing officer during the hearing or prior to its
      disposition, after notice of the submission to all parties,
      except communications by advisory staff as permitted under s.
      120.66(1), if such communications are public records;
   h. All matters placed on the record after an ex parte
      communication pursuant to s. 120.66(2); and
   i. The official transcript.

7. The agency shall accurately and completely preserve
all testimony in the proceeding, and, on the request of any
party, it shall make a full or partial transcript available at
no more than actual cost. In any proceeding before a hearing
officer initiated by a consumptive use permit applicant
pursuant to subparagraph 14., the applicant shall bear the
cost of accurately and completely preserving all testimony and
providing full or partial transcripts to the water management
district. At the request of any other party, full or partial
transcripts shall be provided at no more than cost.

CODING: Words stricken are deletions; words underlined are additions.
8. Findings of fact shall be based exclusively on the
evidence of record and on matters officially recognized.

9. Except as provided in subparagraph 12., the hearing
officer shall complete and submit to the agency and all
parties a recommended order consisting of his findings of
fact, conclusions of law, interpretation of administrative
rules, and recommended penalty, if applicable, and any other
information required by law or agency rule to be contained in
the final order. The agency shall allow each party at least
10 days in which to submit written exceptions to the
recommended order.

10. The agency may adopt the recommended order as the
final order of the agency. The agency in its final order may
reject or modify the conclusions of law and interpretation of
administrative rules in the recommended order, but may not
reject or modify the findings of fact unless the agency first
determines from a review of the complete record, and states
with particularity in the order, that the findings of fact
were not based upon competent substantial evidence or that the
proceedings on which the findings were based did not comply
with essential requirements of law. The agency may accept the
recommended penalty in a recommended order, but may not reduce
or increase it without a review of the complete record and
without stating with particularity its reasons therefor in the
order, by citing to the record in justifying the action. When
there is an appeal, the court in its discretion may award
reasonable attorney's fees and costs to the prevailing party
if the court finds that the appeal was frivolous, meritless,
or an abuse of the appellate process or that the agency action
which precipitated the appeal was a gross abuse of the
agency's discretion.

CODING: Words stricken are deletions; words underlined are additions.
11. If the hearing officer assigned to a hearing becomes unavailable, the division shall assign another hearing officer who shall use any existing record and receive any additional evidence or argument, if any, which the new hearing officer finds necessary.

12. A hearing officer who is a member of an agency head may participate in the formulation of the final order of the agency, provided he has completed all his duties as hearing officer.

13. In any application for a license or merger pursuant to title XXXVIII which is referred by the agency to the division for hearing pursuant to this section, the hearing officer shall complete and submit to the agency and to all parties a written report consisting of findings of fact and rulings on evidentiary matters. The agency shall allow each party at least 10 days in which to submit written exceptions to the report.

14. In any application for a consumptive use permit pursuant to part II of chapter 373, the water management district on its own motion may, or, at the request of the applicant for the permit, shall, refer the matter to the division for the appointment of a hearing officer to conduct a hearing under this section.

Section 61. Part I of this act shall take effect February 1, 1988, except as otherwise provided herein.

Section 62. (1) Part I of this act is repealed effective January 31, 1988, if an affirmative vote is cast by a majority of the electors of the state voting in a referendum to be held on January 12, 1988, at which the following question shall be placed on the ballot:

1987 and presently in effect, instead of increasing the

admissions, and rentals?

(2) It is the intent of the Legislature that an
affirmative vote on the question by a majority of the electors
voting in such referendum shall repeal the provisions of Part
I of this act as provided in subsection (1). If a court of
competent jurisdiction rules that such an affirmative vote may
not act to repeal the provisions of Part I of this act, the
results of the referendum shall be regarded as a straw poll,
and the provisions of Part I of this act shall continue to be
in force as provided therein.

(3) This section shall take effect upon becoming a
law.

Section 62. (1) On January 12, 1988, there shall be

ballot on January 12, 1988:

SALES TAX QUESTION

and the increase in the documentary stamp tax as adopted in
1987 and presently in effect, instead of increasing the
general sales tax from 5 percent to 5.5 percent on goods,
admissions, and rentals?

(3) It is the intent of the Legislature that if the
provisions of section 62 of this act are held to be invalid,
the invalidity shall not affect the provisions of this
section, and to that end the provisions of this section are
declared to be severable.
(4) This section shall take effect upon becoming a law.

Section 64. (1) The Department of State shall prepare a notice of the referenda election to be held in accordance with sections 62 and 63 of this act which notice shall state the questions to be presented and the date of the referenda election. The Department of State shall deliver a copy of such notice to the supervisor of elections in each county and each supervisor shall provide at least 20 days' notice of the referenda to be held in accordance with sections 62 and 63 of this act by publication in a newspaper of general circulation in each of the counties of this state. The publication shall be made at least twice, once in the third week and once in the first week prior to the week in which the referenda are to be held. If there is no newspaper of general circulation in a county, the notice shall be posted in no less than five places within the territorial limits of the county.

(2) Each county incurring expenses as a result of conducting this election shall be reimbursed by the state. Reimbursement shall be based on actual expenses directly related to the referenda election, as filed by the supervisor of elections with the county governing body. (3) The provisions of this section regarding the providing of notice and the payment of expenses are intended to be exclusive and shall supersede any provisions to the contrary provided under the laws of this state.

(4) This section shall take effect upon becoming a law.

(3)(a) Except as provided in paragraph (a), the sales and use tax on services imposed by this section shall be collected by the dealer as defined in this part and remitted by him to the state at the time and in the manner as provided in this part.

(b) If the sale of a service is outside this state, any applicable use tax shall be remitted by the purchaser or user of the service, if the purchaser or user of the service has nexus for sales and use tax purposes with this state. However, this paragraph shall not apply to interstate or international transportation services. Neither does this paragraph apply if the seller has tax nexus in this state and the service sold:

2. Notwithstanding other provisions to the contrary, a dealer shall collect and remit use tax on the sale of a service outside this state if the service either directly relates to real property in this state, directly relates to tangible personal property in this state other than vehicles or vessels in interstate or foreign commerce, or is represented by tangible evidence, other than a bill or invoice, personal property forwarded to a person in this state. reasonably estimate the sales price and this estimate will be
presumed valid for purposes of this part. Those members of a
business group having tax nexus in this state shall file
returns under this part on a combined basis.

(7) Notwithstanding the foregoing provisions, any sale
of computer or data processing services shall be presumed to
have occurred in the state in which the seller delivers those

(1)(a) Services sold in this state which are not used in for-use-outside-of this state.

(b) A service shall be deemed to be purchased for use where-the-benefit-of-the-service-is-enjoyed- in this state to the extent that it is presumed used in this state pursuant to For-purposes-of-determining-where-the-benefit-of-the-service is-enjoyed, s. 212.0591(9) shall apply.

department an exempt purchase permit prior to claiming an exemption under s. 212.0592(1). For purposes of this section, a corporation doing business only in Florida may obtain an exempt purchase permit as a multistate business if it is part of a business group, as defined in s. 212.02, which is doing business in this state and outside of this state. Such permit shall be used when purchasing any service sold in this state except advertising, regardless of whether the service is used in this state. Upon purchasing a service from a dealer registered under this part, presentation by said multistate business of a valid exempt purchase permit shall absolve the selling dealer from the responsibility of collecting any sales or use tax which may be due on the service. The purchaser shall self-accrue any taxes which may be due on the service and remit them to the department in the manner and under the requirements applicable to dealers under this part, subject to such additional reporting requirements as the department may prescribe.

(2) Any business or group of businesses without sales and use tax nexus in this state under this part, and any individual resident in another state claiming an exemption under s. 212.0592(1), shall obtain an exempt purchase permit under subsection (1) and consent to be subject to the jurisdiction of this state solely for the purpose of verifying entitlement to the exemption enforcement of the sales tax on services, or shall execute and present to the selling dealer an exempt purchase affidavit on a form prescribed by the department. The affidavit shall include the federal employer identification number of the business or social security number of the individual, the purchaser's location and mailing address, a statement that the business does not have sales and

consent by the purchaser to be subject to the jurisdiction of
this state solely for the purpose of verifying entitlement to
the exemption enforcement--of--the--sales--tax--on--services. The
affidavit shall also contain such other information as the
department may prescribe. Acceptance of a valid exempt
purchase permit or affidavit shall absolve the selling dealer
from the responsibility of collecting any sales tax which may
be due on the service.

(3) Each dealer shall maintain a monthly log showing
each transaction for which sales tax was not collected because
of the presentation of an exempt purchase permit or exempt
purchase affidavit under this section. The log shall identify
the purchaser, the exempt purchase permit number if
applicable, the service sold, the price of the service and
such other information as the department may prescribe. The
logs and all affidavits accepted by the dealer shall be

department upon request. Failure to maintain these records or

(e) For construction other than new construction, the tax shall be imposed upon the total contract price, less the amount paid by the prime contractor for building materials incorporated into the reality. However, the deduction for building materials shall only apply if the prime contractor has previously paid the sales tax on such materials, and the written contract or invoice provided by the prime contractor to the person for whom the construction was done specifically itemizes the building materials and the price paid by the prime contractor for such materials.

(d) If new construction is undertaken pursuant to a contract that is not an arm's-length transaction, or if new construction is undertaken on a speculative basis and the reality is then sold within 6 months pursuant to a contract that is not an arm's-length transaction, the tax shall be imposed upon 50 percent of the cost price of the new construction, and not upon the contract price.

(f) Construction services performed pursuant to or in
furtherance of a contract with a governmental entity described

improvements are made in the furtherance of the employer's
primary business, and the employer is not in the business of
providing construction services. In addition, no tax shall be
due on construction services performed by an individual who is
engaged in the construction of his own primary residence.
(i) As an alternative method for computing the tax
imposed in this subsection, the prime-contractor may compute
and pay the tax on construction services on new construction,
as follows:
1. The tax on construction services purchased by prime
contractors shall be due and payable by the prime-contractor
at the time consideration is paid for such services.
2. The tax on purchases of construction services by
prime-contractors shall be based on the total consideration
paid to the subcontractor. However, if the written proposal,
contract or interim or final invoice of the subcontractor
specifically describes, itemizes and states the price paid by
the subcontractor for the building materials purchased by the
subcontractor and incorporated into the improvement in
fulfillment of his responsibilities under the subcontract, the
tax shall be based on the total consideration less the price
of said building materials.

3. The tax on the construction services any prime
contractor provides with respect to new construction for
himself or others shall be based upon the cost price to the
prime contractor of the services he provides; however, the
cost of building materials purchased by the prime contractor

to subcontractors upon which a sales tax has been paid, shall
not be included in the cost price. The tax shall be due and
payable as otherwise provided in this part at the time the
contract for new construction is fulfilled or within 30 days
after the certificate of occupancy is issued, whichever is
sooner. The retail sale of new construction for which the
prime contractor has paid tax pursuant to this paragraph shall
be exempt from the tax imposed by this section.

4. This alternative method for computing the tax shall
apply to construction services purchased or provided by a
prime contractor for construction projects begun on or after
July 17, 1980.

5. A prime contractor shall make the election to
calculate the tax pursuant to this paragraph on a form
prescribed by the department. Any such election shall apply
to all construction services purchased or provided by the
prime contractor during the term of the election. The
department shall promulgate rules regarding the application of
the election to construction projects in progress at the time

(b) For other road construction, the tax shall be
imposed upon one hundred percent of the contract price.

(c) For purposes of this subsection:
1. "Contract price" means the total consideration paid

(f) This tax shall be in lieu of any tax that would otherwise be imposed on road construction pursuant to s. 212.06.

(g) The tax imposed pursuant to this subsection shall be due when the prime contractor is paid. If the contract price is paid in draws or installments, the amount of tax to be paid with respect to each such draw or installment, before application of the dealer credit, shall be that proportion of the tax due on the total contract price which the amount of the draw or installment bears to the total contract price.

212.02 Definitions.—The following terms and phrases when used in this chapter have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(2) “Business Affiliated group” is defined as follows:
(a) If the members of the group are taxed under s.
212.0591(9)(b), “business group” means an affiliated group

CODING: Words stricken are deletions; words underlined are additions.
of corporations, as defined in s. 1504(a) of the Internal
Revenue Code, whose members are includable under s. 1504(b),
(c), or (d) of the Internal Revenue Code, and are eligible to
file a consolidated tax return for Federal corporate income
tax purposes, or mutual insurance companies which are members
of one insurance holding company system subject to s. 628.801;
however, s. 1504(b)(2) shall not apply to this definition.
However, the taxpayer may elect, pursuant to rules of the
department governing the procedure for making and amending
such election, to define its business affiliated group in a
manner which excludes any-member-who-has-no-tax-nexus-in-this
state-and any member whose business activities are unrelated
to the business activities of other members of the group.
However, in no event shall a parent-corporation-of-an-included
member-be-excluded-from-the-affiliated-group.

(b) If the members of the group are taxed under s.
212.0591(9)(c), "business group" means one or more chains of
related corporations meeting the stock ownership or direct
control requirement set forth in this paragraph. The stock
ownership requirement is met if 80 percent of the voting power
of one or more corporations or chains of corporations is owned
directly or indirectly by a common parent. The direct control
requirement shall be applicable to non-stock organizations and
shall be met if the common parent directly controls at least
one of the other includable corporations, and each of the
includable corporations (except the common parent) is
controlled directly by one or more of the other includable
corporations. For purposes of this definition, "control"
means, in the case of non-stock organization, the direct or
indirect control of at least 80 percent of its directors. A
director is controlled by an organization if such organization

has the power to remove such director and designate a new
director. "Includable corporations" means any corporation
except those listed in paragraphs (2) through (7) of section
1504(b) of the Internal Revenue Code. The term "related
corporations" or "related group of corporations" shall also
include mutual insurance companies which are members of one
insurance holding company system subject to s. 628.801.
However, the term does not include members whose activities
are not integrated with, interdependent upon, or contributory
to a flow of value among the other members of the group,
unless, for the purposes of this paragraph, the taxpayer
elects otherwise.

(4) "Lease," "let," or "rental" means leasing or
renting of living quarters or sleeping or housekeeping
accommodations in hotels, apartment houses, roominghouses,
tourist or trailer camps and real property, the same being
defined as follows:

(g) "Lease," "let," or "rental" also means the leasing
or rental of tangible personal property and the possession or
use thereof by the lessee or rentee for a consideration,
without transfer of the title of such property, except as
expressly provided to the contrary herein. The term "lease,"
"let," "rental" or "service" does not mean hourly, daily, or
mileage charges, to the extent that such charges are subject
to the jurisdiction of the United States Interstate Commerce
Commission, when such charges are paid by reason of the
presence of railroad cars owned by another on the tracks of
the taxpayer, or charges made pursuant to car service
agreements. However, where two taxpayers, in connection with
the interchange of facilities, rent or lease property, each to
the other, for use in providing or furnishing any of the

services mentioned in s. 166.231, the term "lease or rental"
means only the net amount of rental involved.

(19)(a) "Retail sale" or a "sale at retail" means a
sale to a consumer or to any person for any purpose other than

in lieu of retail sales or sales at retail. "Retail sale"
does not include fee-sharing for services described in s.
475.01(1)(c) 475.011 by persons licensed under chapter 475.

Where a fee has been paid for a single service, and the tax
has been remitted on the fee, no additional tax shall be
imposed on the subsequent division of that fee between two or
more persons. A sale of a service shall be considered a sale
for resale only if:

1. The purchaser-of-the service provides a direct and
identifiable benefit to a single client or customer of the
purchaser does-not-use-or-consume-the-service-but-acts-as-a
broker-or-intermediary-in-procuring-a-service-for-his-client
or-customer;

2. The purchaser of the service buys the service
pursuant to a written contract with the seller or other
written documentation which and-such-contract identifies, by
name or other evidence sufficient for audit purposes, the
client or customer for whom the purchaser is buying the
service; and

3. The purchaser of the service separately states the
value of the service purchased at-the-purchase-price in his
charge for the service on its subsequent sale;

4.57 The service is purchased pursuant to a service
resale permit by a dealer who is primarily engaged in the
business of selling services. However, the department may
authorize the issuance of a service resale permit to a dealer
who is not primarily engaged in the sale of services if such
dealer is otherwise regularly engaged in brokering services
for clients or customers, and shall issue a resale permit to a
dealer primarily engaged in contract work for a governmental
entity described in s. 212.08(6). The department shall
provide by rule for the issuance and periodic renewal every 5
years of such resale permits.

However, a sale, to other than an end user, of
telecommunication services consisting of a right of access for
which an access charge, as defined in s. 203.012(1), is
imposed, is a sale for resale.

(21) "Sales price" means the total amount paid for
tangible personal property or services, including any services
that are a part of the sale and any tangible personal property
that is part of the service, valued in money, whether paid in
money or otherwise, and includes any amount for which credit
is given to the purchaser by the seller, without any deduction
therefrom on account of the cost of the property sold, the
cost of materials used, labor or service cost, interest
charged, losses, or any other expense whatsoever. "Sales
price" also includes the consideration for a transaction which
requires labor or material to alter, remodel, maintain,
adjust, or repair tangible personal property. Trade-ins or
discounts allowed and taken at the time of sale shall not be
included within the purview of this subsection. "Sales price"
does not include travel and entertainment expenses, postage.

client, if such expenses or charges are directly reimbursed at
cost by the client.
